

ALEKS Math Madness 2019-20

Who: WAY Academy, Teachers and Students using ALEKS

When: Kickoff starts **December 1st**; Round 1 starts **January 6th**

What: Students compete to learn the most topics during a 3-week time period.

Topic Mastery Competitions

Schools compete in league play. The end rankings are used to seed the schools for a single elimination tournament.

Teachers compete against other teachers.

Students compete against students in their school and other WAY Academy students.

Kick-Off December 1st – 15th

Winners based on most topics learned.

Round 1: Jan 6th – 26th
