Kudos to the BHS Student Community!

BHS: LISTEN UP! I want to compliment you on representing! We have a disabled community member who regularly stops by school and she said that every time she comes, students open doors for her and smile, they're friendly and welcoming. It's so good to hear that campus visitors will feel comfortable and welcomed. So thank you for upholding the Bothell way of Belonging!

(... now quit stealing your fellow students Air Pods...!!)

STOLEN AIR POD EPIDEMIC

There have been a lot of air pods being stolen at around the high school. It's disappointing to know your peers are stealing and it's costly to lose your valuables. Here are a few suggestions to help curb this epidemic: 1. If you see something say something; 2. Buy a cheap pair at the drugstore, and leave your expensive ones at home; 3. STOP STEALING YOUR FELLOW BHS CLASSMATES AIR PODS.

If you have any information of stolen air pods, please report this to the office.

BHS Campus Supervisor

NEW ASVAB DATE!!

Due to a nationwide ASVAB network failure during the November 20th ASVAB, we have rescheduled the ASVAB administration for **December 18th**. If you're interested in taking the ASVAB to learn more about your strengths and what opportunities are available to you, please

let Mr. Dawson (in counseling) know. The test can also be used to meet the state assessment graduation requirement. We are now offering the ASVAB after school on December 18th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.
