

Dear friends,

Each September, the young women of the Mount select a theme for the year ahead – a call to action meant to invigorate our engagement, inspire our intentions, and serve as a touchstone for all we are about to undertake as a community. Focused on diversity and acceptance, this year's theme – never forget your roots – is a reminder to us all that the strength of our foundation is fortified by the breadth of our uniqueness. From our roots – enduring traditions of mission, study, prayer and community – grow towering branches, cascading vines and beautiful leaves that are our students and alumnae, our innovations and progress, our accomplishments and future impact. Your support of The Mount Fund enriches the soil that brings our community to life, fostering an elevated student experience with advances in curriculum, compelling co-curriculars, competitive athletics, captivating theatre arts, modernized tech-centric facilities, professional development for faculty, and increased financial aid opportunities for future Mount students. Anchored by our roots and uplifted by your continued belief in our mission of empowering young women in the Dominican tradition, we thank you in advance for your generosity, loyalty and love.

May God bless you,
Sister Frances Sullivan, OP '60

*Mount St. Dominic Academy
legacy families span generations.
Their continued faith in our
mission strengthens our roots and
enhances the vibrant fabric that
forms the foundation of
our community.*

What is The Mount Fund?

Our most essential fundraising campaign each year, The Mount Fund provides the critical financial support necessary to bridge the gap between tuition and the actual cost of educating a Mount student. The funds raised throughout the year help cover our day-to-day operational costs, which enables us to provide an enriched student experience, and, welcome more new students by keeping tuition at a more affordable level.

Why give to The Mount Fund?

A tax-deductible gift to The Mount Fund has a direct impact on our students' daily lives – from supporting the arts and athletic programs to modernizing our technology and enhancing our STEM offerings – and, everything in between. No matter the amount, every gift makes a difference, and is a testament to your belief in the Mount, our mission, and its promise for future generations.

How can you give?

By Mail:

Use the return envelope enclosed.

By Credit Card:

Visit our website:
www.msdaacademy.org and
click on SUPPORT MSDA.

By Matching Gift:

Increase the power of your gift by asking your employer to match it. Contact your HR office for instructions.

By Planned Giving/Gifts of Stock:

Contact the Development Office at 973-226-0660 ext. 1130 or development@msdaacademy.org for more information.
