
HEALTH & WELLNESS COUNCIL Minutes

2019-2020

Location: Ad Center

Date: **Friday, November 22nd, 2019**

Time: 2:30 p.m.-3:00 p.m.

Agenda details:

I. Welcome

A. Introductions

The council welcomed new members Linda Perlman-McKenna, School Board member and Jaclyn Svetcov, parent, to the council.

II. Updates:

1. Birthday Recognitions

Positive feedback from faculty/staff/parents regarding the change in procedure. Parents are taking advantage to this new basket.

2. Hands Only CPR

EMS council assisted the physical education department in providing instruction on Hands Only CPR to SMS and OMS 8th grade students. 717 students were trained on November 12th, 2019.

3. New Food Services Menu Software

A demonstration of the new food services menu software was provided. This is a great addition and support to the community, teachers and nursing department.

4. District Employee Flu Clinic

The CVS within Target provided our Parkland family with 620 flu vaccines this October and November. This is a great partnership.

III. Round Table:

1. Revisit the watering stations and the progress with these throughout the district. SMS reports they do have these now.
2. CSA initiative for Parkland faculty. Our recent farm has stopped providing this service but has recommended another organic farm. This will be explored for a partnership.

Future meeting dates:

Friday, May 15, 2020 at 2:30.
