

OAK HILLS EAGLEGRAM

November 25, 2019

Welcome to our weekly EagleGram Message. Please take a moment to read through our newsletter and get information about our upcoming activities.

- You may have noticed that we have new crossing guards – our very own student council! We ask that you be aware and alert, and please follow their signals and directions. Let's all work together to make our drop off run smoothly and keep safety our priority!
- We are trying something new called **Parents at Lunch**, and we need your help! We need 2 parent volunteers each day from 11:30am-12:30pm to assist with lunch room supervision. Duties will include monitoring students, wiping down tables, and making sure the lunch room runs smoothly. This will start in January 2020. Please call the office to sign up.

PTA grants

We would like to thank the PTA for their generous donations of 4 different grants they provided to our teachers and their classrooms. Our resource teacher, **Mrs. Carrillo** purchased 16 speech-to-text headsets for her students. They will now be able to check them out and use them in their individual classrooms! **Mrs. Stuart**, one of our 1st grade teachers ordered an aquaponics kit which shows how plants and fish live together in a symbiotic relationship. This will be set up in her classroom for the students to observe! The entire **2nd grade** received a grant for a field trip to the Living Planet Aquarium, and the **VEX Robotics team** received a grant for their team competitions. We have such a great school and appreciate everyone that makes it so awesome!
