Five Playground Goals

1. No Barriers

2. New Surfacing

3. Improved Safety

4. ADA Compliant

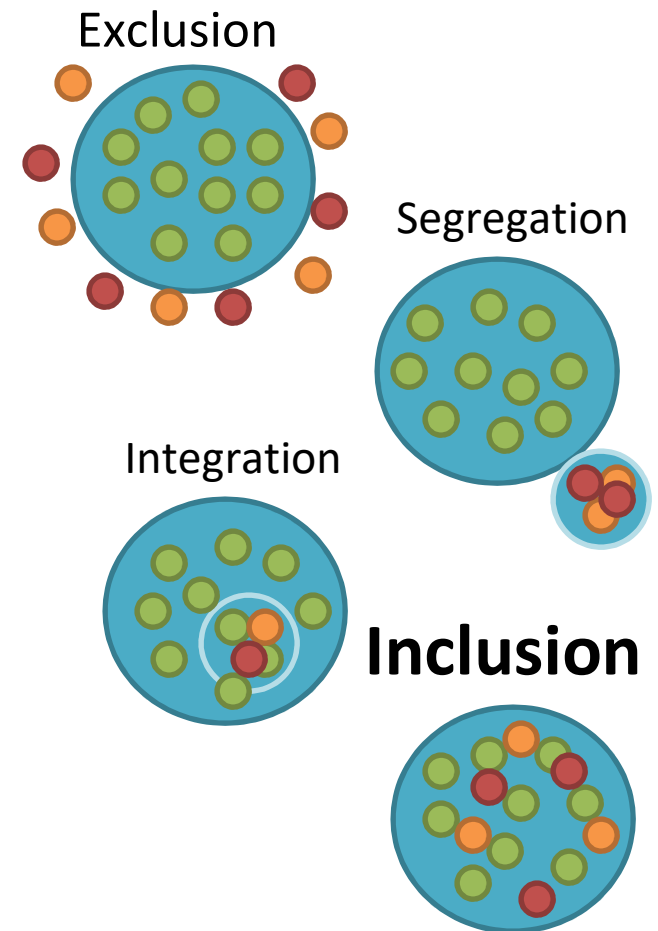

5. New, Fun Playground Equipment that is **INCLUSIVE** to ALL students!

Inclusion Overview

- What does it mean to be “inclusive?”
- An inclusive playground is designed to be a safe environment where **children of all abilities can play together.**
- It removes barriers and creates a sensory rich play environment that promotes developmentally appropriate play and social skills.

Why Banner? What makes us unique?

Banner hosts the District's K - 5 Life Skills program. Currently, there are 22 students from all five elementary buildings:

- **Banner - 4 students**
- **Dunlap Grade - 3 students**
- **Hickory Grove - 3 students**
- **Ridgeview - 4 students**
- **Wilder-Waite - 8 students**

In addition, we have two kindergarten students with mobility challenges.

What are we asking?

The Dunlap School Board of Education agree to financially commit funds to help us reach our final goal of approximately \$150,000 still yet to complete the project.
