### ***Pledge of Allegiance to the Flag***

Mrs. Thomas reconvened the meeting at 7:30 p.m. with select Middle School String Players, Grades 6-8 playing the Star Spangled Banner. The students were Lizza VanLaeken, Georgia Jones, Hallie Johnson, Bethan Ouimette, Gabe Vit and Maya Gjonbalaj.

***Those not participating in the rest of the meeting left at 7:35 p.m.***

### ***President's Comments***

A moment of silence was held for Mrs. Michele Cuminale, Primary-Elementary Teacher Aide, who passed earlier in the week. The Board also held a moment of prayer for Canandaigua 2015 graduate Courtney Wagner as she deals with cancer.

### ***Superintendent's Report***

Superintendent Erdle began by saying with the passing of Mrs. Cuminale she saw our school community display love, commitment and teamwork. She watched repeatedly as Mrs. Ware pushed her own sorrow aside to be the building leader and Mr. Amesbury, Mr. Case and Mr. Undercoffler who were rock solid.

***Lead and inspire a community of learners to fulfill their academic and creative potential***

Superintendent Erdle watched her team gather and take control and support staff and one another. She watched the full administrative team drop everything and perhaps do what they never imagined. And staff did what they do best, love kids and want to be with them.

Cause for Applause

Mrs. Marcie Ware said that when a fourth grade student began choking while eating crackers and ran out of the room, Ms. Kristine Boylon went after him and performed the Heimlich. During this time, Ms. Trish Vattimo ran to the nurse for her assistance.

Four students have been named Commended Students in the 2016 National Merit Scholarship Program:

Sean J. Clark, Cameron P. DeMott, Sierra A. Russell and Kelsey M. Towne

Commended students placed among the top five percent of more than 1.5 million students who entered the 2016 competition by taking the 2014 Preliminary SAT/National Merit Scholarship Qualifying Test.

For many years the district has had a medical organization in to offer flu shots for staff. It has been suggested that this also be extended to Academy students. A signed parent permission slip would be required for a shot to be administered. Superintendent Erdle requested feedback from the Board if they would like the Administrative staff to research further. There was discussion regarding a student who may not have health insurance; with a mix for and against support for including flu shots to students. Further information is requested, including administration of nasal sprays.

Mr. Brian Nolan, Assistant Superintendent for Personnel and Support Services, requested a new procedure for collecting on overdue cafeteria accounts. The district currently has several lunch accounts in excess of \$600. The current Regulation was updated in 2011 and has been followed. The Board was asked about adding a letter in addition to phone calls after a certain threshold. That amount was discussed and decided after an account reaches \$50 an initial letter and invoice will be sent. A second letter will be issued at \$75. It was also requested to research the assistance of a collection agency. An update to the board in three months was also requested.

***End of Consensus Agenda***

### **City of Canandaigua Agreement**

***Mr. Tom Reho left during this discussion from 8:36 pm. – 8:38 p.m.***

Dr. Julie Winston provided background of the agreement that was last Board approved in March of 2015 with a term through December 31, 2015. In February 2015, Dr. Mark Lavner and Dr. Winston met with the town fire department to discuss their services with the district. This state requirement was putting a financial burden on the Town because of the need for overtime pay to those presenting at the district. The district and Town officials came to an agreement to include two presenters at trainings; one on duty and one off duty. The district would pay the salary of the on duty presenter, thus allowing in an emergency one presenter would be able to continue with lessons. Discussion ensued with several Board members requesting the Superintendent to further investigate with the City of Canandaigua for shared services.
