SCRIPTS - CCEA's quality assurance checks on scripts before dIspatch may result in a change of mark. This means marks can go up as well as down.

REVIEW OF MARKING - There are 3 outcomes:

1)	Your original mark is confirmed as correct, and there is no change to your grade
2)	Your original mark is raised so your final grade may be higher than the original grade you received
3)	**Your original mark is lowered so that your final grade may be lower than the original grade you received**

I give my consent to the Head of my Examination Centre to make an enquiry about the result of the examination(s) listed
