

The Endeavour Express

FULL S.T.E.A.M. AHEAD! Celebrating 10 Years at Endeavour!

Letter from Principal Mori

“Your children are important to us and we appreciate the team effort that goes into planning and facilitating their academic success.”

Dear Endeavour Families-

November is a time for gratitude. THANK YOU for supporting your child each and every day with their education. Your children are important to us and we appreciate the team effort that goes into planning and facilitating their academic success. We appreciate the generosity and tremendous amount of volunteer hours.

Endeavour's 10th Birthday Celebration
Fri., March 6 from 1:30-3 pm

We look forward to celebrating your child at Fall Conferences on Nov. 13th and 14th.

Our conferences are student-led, which means that students lead in the sharing of their information and data. This helps each student celebrate their strengths and then create a plan to improve their weaknesses. We are so proud of the growth our students have demonstrated during the first term. Report cards will be available through my.DSD Guardian accounts on Friday, Nov. 8th at 4:00 p.m.

Have you recently been hearing about Social Emotional Learning (SEL)?

What is it? - "Social Emotional Learning (SEL) is how children and adults learn to understand and manage emotions, set goals, show empathy for others, establish positive relationships, and make responsible decisions." www.casel.org

Why is it a focus in Davis District?
Davis School District students are facing increased levels of mental and health challenges such as anxiety and depression. Our goal is to build safe and supportive environments that set the foundation for equitable, engaging and high quality instruction in our classrooms.

Happy Veteran's Day to all those who have served!

We appreciate all you do to support our communities and country. Each teacher will be providing a lesson or having a speaker share information about Veteran's Day on Monday, Nov. 11th. It's a great opportunity to have a discussion with your child.

Our Thanksgiving Break is November 27-29.

We hope you enjoy a memorable holiday with your family.

Sincerely,

Principal Mori

Note From Our Legislative VP

Karene Warby wants to help keep us informed!

‘What do you do to inform yourself about the issues?’

This was a question posed by former Secretary of State Madeline Albright in a recent interview on NPR radio. As part of my role as Endeavour’s PTA Legislative VP, I hope to be a part of how you can stay informed on issues facing public school AND our children.

A hot topic for schools and children is the rising Vaping Epidemic. The US Surgeon General has issued an advisory that we have a ‘cause for great concern’. The statistics indicate that youth are trying e-cigarettes as early as 6th grade. The tobacco industry is targeting youth with flavored juices such as ‘Captain Crunch’ and ‘Watermelon Rush’. If a nicotine user begins at an early age, it is harder to break the addiction and these retailers know that.

So what can be done?!

- * **Educate yourself on what vaping looks and smells like**
- * **Talk openly with your children about vaping and create boundaries**
- * **Initiate and support school intervention programs**
- * **Support policy initiatives and communicate with your legislator about your concerns. Let them know you want to keep kids safe.**

For more information, go to <https://e-cigarettes.surgeongeneral.gov> or <https://thetobaccotalk.org/> or <https://www.davis.k12.ut.us/departments/student-family-resources/preventioncommunity>
