- 4.2 Management Responsibilities: The exclusive representative recognizes the right and obligation of the School Board to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.
- 4.3 Effect of Laws, Rules, and Regulations: The exclusive representative recognizes that all employees covered by this Agreement shall perform such services prescribed by the School Board and shall be governed by the laws of the State of Minnesota, and by School Board rules, regulations, directives and orders, issued by properly designated officials of the School District. The exclusive representative also recognizes the right, obligation and duty of the School Board and its duly designated officials to promulgate rules, regulations, directives and orders from time to time as deemed necessary by the School Board insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement and recognizes that the School Board, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State of Minnesota, Federal laws, rules, and regulations of the State Board of Education, and valid rules, regulations and orders of State and Federal governmental agencies. Any provisions of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void and without force and effect.
- 4.4 Reservation of Managerial Rights: The foregoing enumeration of School Board rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and management functions not expressly delegated in this Agreement are reserved to the School Board.

## SECTION 5 EMPLOYEE RIGHTS

- 5.1 Right to Views: Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any employee or the exclusive representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with

the full, faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

5.2 Right to Join: Employees shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations. Employees in the appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for employees of such unit with the School Board.

5.3 Dues Check Off: Any member of the bargaining unit may authorize the School District to deduct from his/her pay the amount of dues charged by RAVE CA. This authorization must be in writing and forwarded by RAVE CA to the payroll office not less than thirty (30) days prior to when the deductions are to begin. The School District agrees to implement the dues deductions submitted to the School District by RAVE CA, and agreed to by the employee.

When a RAVE CA member has authorized a dues deduction, such authorization may only be cancelled annually by the School District upon receiving the employee's termination of the authorization in writing from RAVE CA no later than October 1 of each school year.

Calculations of allowable maximum contributions, according to IRS regulations, shall be the responsibility of the annuitant and the respective company. In no instance is the School District liable for exceeding maximum allowable contributions as specified in IRS regulations. School District involvement in the annuity program is limited to payroll deduction and remittance of such deductions to the designated company, and questions about policies, reports, refunds, status of all such matters are to be determined between the participant and the company and not referred to School District offices. Payroll deductions will be deducted each pay period in equal installments of not less than \$10 per pay period and will be continued from one school year to the next unless the employee notifies the Payroll Department in writing of his/her desire to terminate deductions. Commencement or modification of annuity contributions will be effected by the Payroll Department as soon as practicable following receipt of written communication from the employee. This section is based on Section 403(b) of the Internal Revenue Codes as amended.

However, a probationary employee shall have the right to bring a grievance on any other provision of the contract alleged to have been violated.

5.7 Progressive Discipline: The parties to this Agreement recognize both the concept of progressive discipline and the fact that accelerated disciplinary actions, including discharge, may be warranted in instances involving severe or repeated misconduct. An employee who has completed the probationary period may be suspended without pay, discharged or disciplined only for just cause. Written reprimands, notices of suspension and notices of discharge which are to become part of an employee's personnel file shall also be sent to the employee who is the subject of such documents and to the exclusive representative.

5.8 Personnel Files: The School District personnel file relating to an individual employee will be available, by appointment, during regular office business hours to that employee. Upon written request, the employee shall have the right to reproduce any of the contents of the file at his/her own expense and to submit for inclusion in the file written information in response to any material contained therein.

5.9 Liability: The School District will comply with the requirements of Minnesota Statute 466.07 as amended and will obtain liability insurance or self-insure for tort claims, including tort liability claims against an employee, provided the employee was acting in the performance of their duties and was not guilty of malfeasance, willful neglect of duty or bad faith.

Any days used will be charged to RAVE CA at the hourly rate for the substitute, if any, required to perform the duties of the employee conducting RAVE CA business.

Each subsequent day used for RAVE CA business each year should be billed to RAVE CA at the full daily pay rate of the absent clerical employee for each day of absence.

reason for the release and the location where the clerical employee may be reached. The School District shall afford reasonable time off to elected officers or appointed representatives of the exclusive representative to conduct the duties of the exclusive representative and shall, upon request, provide for leaves of absence to elected or appointed officials of the exclusive representative.

5.11 School District's Job Evaluation Committee: The exclusive representative shall appoint a secretarial/clerical representative to serve on the School District's job evaluation committee. Expenses incidental to the meeting shall be borne by RAVE CA whenever the use of such facilities results in additional cost to the School District.

5.13.2 Discussion: Duly authorized representatives of RAVE CA shall be permitted to discuss matters pertaining to RAVE CA business with employees covered under this collective bargaining agreement in School District buildings at all reasonable times at the discretion of the administrator or department supervisor, provided that this shall not interfere with or interrupt normal operations.

Options once made are final for the entire school year.

6.11.3 Returning secretarial/clerical employees shall retain the same option as they had the previous school year unless the coordinator of Human Resources is otherwise notified prior to August 15 of the school year. New employees must notify the School District payroll office of their selected option before August 15 or they will automatically be given option (a) above.

6.12 Travel Allowance: Employees shall be reimbursed for all private automobile usage which is incurred in connection with School District business at the rate per mile which is approved by the School Board and included in board policy on the date of such usage.

Days which are paid as holidays, vacation or sick leave are considered as days worked for purposes of calculating overtime premium entitlements for all employees. Additionally, hours compensated over eight (8) on conference days, open house days, jamboree days, and orientation days, shall be paid at a rate of time and one-half.

7.4 Ten (10) Month Employee Work Year: Ten (10) month employees who are required to work over 193 days per fiscal year will be paid an additional \$.75 per hour effective on the 194<sup>th</sup> day.

25	25 days

Effective July 1, 2020, only full-time twelve (12) month employees who work thirty (30) hours or more per week shall be eligible to accrue vacation on the following basis:

7.5.2 Vacation may not be taken during the first six (6) months of employment with the School District, but may be used as accrued time thereafter on a pro rata basis. Employees will accrue vacation from the date of hire. Upon termination or resignation, employees will be paid for their accrued vacation on a pro rata basis.

Effective July 1, 2020, employees will accrue vacation from the date of hire. All new twelve (12) month employees who are eligible for vacation will receive prorated vacation beginning on the first July 1 following their date of hire. Upon termination or resignation, employees will be paid for their accrued vacation on a pro rata basis.

7.5.3 Employees who become eligible for vacation under the provisions of this Section who were not previously eligible for vacation shall receive partial vacation credit for prior service with the School District since their most recent date of continuous employment as an employee covered by this working agreement. This partial vacation credit shall be determined as follows: First, the employee's hours worked while in ineligible status will be divided by 173.333 to determine the number of months of credit to be allowed. Next, the number of months of credit to be allowed will be subtracted from the date on which the employee was reassigned from ineligible to eligible status to determine the employee's adjusted vacation eligibility date. Then, upon the next anniversary of the employee's adjusted vacation eligibility date and on subsequent anniversaries thereof, the employee shall be credited with vacation according to the annual vacation schedule set forth in this Section.

7.5.4 Vacation which is not used within twenty-four (24) months from the anniversary date on which it is credited shall be forfeited.

7.5.5 Common Vacation Accrual Date Effective July 1, 2020: Effective July 1, 2020, July 1 of each year shall be the common anniversary date shared by all unit employees who are eligible for vacation for purposes of vacation accrual. July 1 will replace their previous vacation accrual date.

For employees eligible for vacation and hired on or before June 30, 2019, on July 1, 2020, their revised vacation accrual date will be July 1 of the fiscal year of their current vacation accrual date.

Effective July 1, 2020, for new employees hired on or after July 1, and before December 1, their vacation accrual date will be July 1 of the fiscal year in which they were hired. For example, if an employee is hired on November 30, their vacation accrual date will be the previous July 1.

Effective July 1, 2020, for new employees hired on or after December 1, their vacation accrual date will be July 1 of the next fiscal year. For example, if an employee is hired on December 1, their vacation accrual date will be the next July 1.

7.5.6 Transition Guidelines for July 1, 2020

For July 1, 2020, the following rules will apply to the transition:

- The employee will receive vacation earned from their current vacation accrual date to July 1, 2020.
- Exceptions to the maximum vacation accrual allowed based on Section 7.5.4 will be made on a case-by-case basis for the 2020-2021 year.
- Exceptions to using days earned but not accrued will be made on a case-by case basis for the 2020-2021 year.

- Examples:

If an employee's vacation accrual date is in October, they will have earned nine twelfths of their annual vacation accrual. If they earn twenty-three (23) days per year, they will receive seventeen and one-half (17.5) days on July 1. The following July 1 and every July 1 thereafter, they will receive the full year's accrual based on the schedule in Section 7.5.1.

If an employee's vacation accrual date is in March, they will have earned four twelfths of their annual vacation accrual. If they earn sixteen (16) days per year, they will receive five and one-half (5.5) days on July 1. The following July 1 and every July 1 thereafter, they will receive the full year's accrual based on the schedule in Section 7.5.1.

If an employee is hired on September 1, 2019, the employee will receive ten twelfths of the annual vacation accrual, or five (5) days on July 1, 2020. Every July 1 thereafter, they will receive the full year's accrual based on the schedule in Section 7.5.1.

For example, if an employee is hired on November 30, 2020, their vacation accrual date will be July 1, 2020. On July 1, 2021, the employee will receive eleven days of vacation. On July 1, 2022, the employee will receive eleven (11) days of vacation accrual.

For example, if an employee is hired on December 1, 2020, their vacation accrual date will be July 1, 2021. On July 1, 2021 they receive a prorated amount of vacation of six and one-half (6.5) days. On July 1, 2022, they will receive eleven (11) days.

7.6 Leave of Absence: A leave of absence of two (2) days or less may be granted by the employee's administrator or department supervisor. Leaves of absence over two (2) days may be granted upon the approval and discretion of the coordinator of Human Resources.

Leaves may be granted up to twelve (12) months. In all cases, the beginning date and the return date of the leave of absence must be approved by and determined at the discretion of the coordinator of Human Resources. Such leave may be granted by the School Board for extended illness of the employee, extended illness of the employee's family, civic activities, political office, full-time educational leave, or other reasons deemed appropriate at the discretion of the School Board.

An employee who has been granted a leave of absence of twelve (12) months must provide written notice to the School District no later than sixty (60) calendar days, or thirty (30) calendar days if on medical leave, prior to their scheduled return date of his/her intentions of returning to his/her position. If the employee fails to provide timely written notice to the School District, he/she will be terminated at the end of the approved leave.

All approved leaves of absence of less than five (5) working days will be without pay unless sick leave, personal leave, or vacation is available and used according to Sections 7.5, 7.7, 7.16, and 7.17. Exceptions to the use of available paid days may be made at the discretion of the coordinator of Human Resources. All approved leaves of absence of five (5) working days or more will be without pay unless the employee has available unused sick leave, personal leave or vacation and the employee at his/her own discretion requests paid leave and uses the leave in accordance with Sections 7.5, 7.7, 7.16, and 7.17. The employee shall be returned to his/her former classification and the employee shall not lose his/her seniority rights.

An extension of a leave of *up to* one additional twelve (12) month period will be considered on a case-by-case basis. In all cases, the beginning date and the return date of the extended leave of absence must be approved by and determined at the discretion of the coordinator of Human Resources.

After twelve (12) months or at the end of the extended leave of absence (twenty-four (24) months), if the employee does not return, his/her former position shall be posted and filled as a permanent position. The employee who formerly held the position shall have no right to return to it. The employee who does not return will be recommended for termination unless Human Resources receives a written resignation.

7.6.1 Leave of Absence Replacements: Vacancies exceeding sixty-seven (67) working days shall be posted as temporary and shall include the beginning and ending dates of the temporary assignment. A unit employee selected as a leave of absence replacement or to replace such a temporarily assigned employee shall return to his/her former assignment upon the return of the absent employee. An external candidate hired as a temporary replacement for more than fourteen (14) hours per week and for more than sixty-seven (67) days will be covered by this Agreement throughout the period of the temporary assignment in the same manner as a probationary employee except that she/he will not acquire seniority rights or be covered by the provisions of Sections 10 and 11 of the Agreement and will be terminated without right to recall upon expiration of the period of temporary replacement. If the external candidate is hired into the same position immediately following the expiration of the temporary replacement position, he/she will retain any sick leave accrued during the original temporary assignment.

If the external candidate is hired into the same position immediately following the expiration of the temporary replacement position, in addition to retaining accrued sick leave, the employee's date of hire will be the original date he/she was hired into the temporary replacement position. This hire date will be the basis for pay, benefits and seniority.

7.7 Sick Leave:

7.7.1 Ten (10) month employees shall receive sick leave as indicated by the following schedule:

<u># of days/week worked</u>	<u># of sick leave days per year</u>
5	10
4	8
3	6
2	4
1	2

Ten (10) month employees who do not work the same number of days each week shall receive the same number of sick days as days worked in a two (2) week period. Example: An employee who works three (3) days one (1) week and two (2) days the next week will receive five (5) days of sick leave since they work five (5) days in a two (2) week period.

Ten (10) month employees who work variable hours each day shall accumulate sick leave in hours by using the following formula: sick leave hours earned = # of hours worked per year multiplied by 0.0578. An employee who works 1384 hours per year earns eighty (80) hours of sick leave.  $80/1384 = 0.0578$  hours of sick leave earned per hour worked.

Twelve (12) month employees shall receive sick leave as indicated by the following schedule:

<u># of days/week worked</u>	<u># of sick leave days per year</u>
5	12
4	10
3	7
2	5
1	2.5

Twelve (12) month employees who do not work the same number of days each week shall receive sick days based on the following formula: number of days worked in a two (2) week period divided by ten (10) then times twelve (12). Example: An employee who works three (3) days one week and two (2) days the next week will receive the following sick leave:  $5/10 = .5 \times 12 = 6$  sick days.

Twelve (12) month employees who work variable hours each day shall accumulate sick leave in hours by using the following formula: sick leave hours earned equals the number of hours worked per year multiplied by 0.0462. An employee who works 2080 hours per year earns ninety-six (96) hours of sick leave.  $96/2080 = 0.0462$  hours of sick leave earned per hour worked.

7.7.2 Unused sick leave may be accumulated to a maximum credit of 190 days for all employees whose sick leave is accrued in days or 1520 hours for employees whose sick leave is accrued

in hours. In the event the employee's absence is in excess of the number of days earned, and the employee does not return to the said position or resigns or is terminated, the School District has the option to deduct or collect salary paid for unearned sick leave using a formula based on the number of days in excess of days earned.

7.7.3 Each year, the employee shall choose to utilize unused sick leave by exercising the following options, provided he/she is an employee through the end of the day on June 30:

A. Twelve (12) month employees may exchange unused sick leave days by exchanging three (3) days of unused sick leave for one (1) day of vacation or one (1) day of extra wages. A maximum of four (4) days of exchange may be utilized per year. Remaining days shall be applied toward the employee's sick leave accumulation.

Ten (10) month employees may exchange unused sick leave days by exchanging three (3) days of unused sick leave for one (1) day of extra wages. A maximum of only three (3) days of exchange may be utilized per year. Remaining days shall be applied toward the employee's sick leave accumulation.

B. Place unused sick leave days in the sick leave accumulation (under the provisions of Section 7.7.2).

C. Utilize a combination of the above choices with the understanding that only whole days may be used and that days may be counted only once.

7.7.4 Sick leave will not apply, nor may it be earned during a leave of absence.

7.7.5 Sick leave with pay shall be allowed by the School Board whenever an employee's absence is due to illness or injury of the employee or the employee's dependent child, step child, or child for whom the employee has documentation designating legal guardianship which prevented the employee's attendance at work on that day or days.

Up to eight (8) days of sick leave per occurrence shall be allowed to employees due to the illness or injury of a spouse, parent, adult child, sibling, grandchild, grandparent (including in-laws and step relatives of the same degree) or an individual for whom the employee has documentation designating legal guardianship. Additional days with or without pay may be granted at the discretion of the coordinator of Human Resources. If pay is provided, days shall be deducted from sick leave.

7.7.6 MN Statute 181.9413

Clerical employees who have been employed by the School District for at least twelve (12) months prior to the leave and who worked at least one half of the full-time equivalent during those twelve (12) months may use up to 160 hours of sick leave in any twelve (12) month period for the illness or injury of the clerical employee's adult child (including stepchild, biological, adopted, and foster child), spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent for reasonable periods of time as the employee's attendance may be necessary.

This provision is not intended to increase or decrease the amount of time provided in Section 7.7 above except as otherwise required by law. This provision shall be in effect only as required by MN Statute 181.9413.

- 7.7.8 The School Board may request a statement from the employee's doctor on sick absences of three (3) or more days or if a sick absence occurs before and/or after a paid holiday.
- 7.7.9 Sick leave allowed shall be deducted from the accumulated sick leave days earned by the employee.
- 7.7.10 Sick leave shall be prorated for employees whose start date is not the beginning of the fiscal year (12 month employees) or the school year (10 month employees). Employees who accumulate sick leave in days and whose start date is on or before the 15<sup>th</sup> of the month shall accrue sick leave for that month. Employees who accumulate sick leave in days and whose start date is after the 15<sup>th</sup> of the month will accrue sick leave starting on the first of the following month.

Employees whose sick leave is accumulated in hours will accumulate sick leave based on the actual number of hours worked.

- 7.7.11 Sick leave with pay shall be allowed by the School Board whenever an employee's spouse, child, or parent (including step relatives or in-laws of the same degree) is deployed or returns from active military duty up to a maximum of three (3) days per fiscal year. Days will be deducted from accrued sick leave. Additional days, with or without pay, may be granted at the discretion of the coordinator of Human Resources. If pay is provided, days shall be deducted from sick leave.

## 7.8 Bereavement:

- 7.8.1 Spouse, Child or Parent: The School District shall grant a leave for the death of the employee's spouse, child, or parent (including in-laws and step relatives of the same degree). The first three days per occurrence shall not be deducted from accrued sick leave, personal leave or vacation. Additional paid days shall be deducted from the employee's accrued sick leave, personal leave or vacation at the employee's discretion. Employees may elect to take the days unpaid.
- 7.8.2 Sibling, Grandparent, Grandchild, Aunt, Uncle, Niece, or Nephew (including in-laws and step relatives of the same degree): The School District shall grant a leave for the death of the employee's brother, sister, grandparent, grandchild, aunt, uncle, niece or nephew (including in-laws and step relatives of the same degree) of up to five (5) days upon the recommendation of the employee's administrator or department supervisor. If pay is provided, days shall be deducted from accrued sick leave, personal leave or vacation at the

employee's discretion. Additional days with or without pay may be granted at the discretion of the coordinator of Human Resources.

7.8.3 All Other Individuals: The School District shall grant a leave of up to one (1) day per occurrence for the death of someone other than a family member defined above. If pay is provided, days shall be deducted from accrued sick leave, personal leave or vacation at the employee's discretion. Additional days with or without pay may be granted at the discretion of the coordinator of Human Resources.

7.9 Holidays: Full-time twelve (12) month employees who work thirty (30) hours or more per week shall receive twelve (12) paid holidays as follows:

Independence Day	New Year's Eve Day
Labor Day	New Year's Day
Thanksgiving Day	Martin Luther King Jr. Day
Friday following Thanksgiving Day	Presidents' Day
Christmas Eve Day	Memorial Day
Christmas Day	
Floating holiday designated by the Superintendent of Schools	

No employee shall receive pay for a holiday if the employee is absent the work day before or the work day after the holiday without authorization from his/her administrator or department supervisor.

Clerical holidays will be observed, whether paid or unpaid, by all clerical employees covered by this Agreement unless the program for which they work has students scheduled for that day.

7.10 Emergency Closings: All employees shall receive their full pay for any emergency school closings due to inclement weather, energy crisis, defective plumbing, fuel shortages, power outages, etc. If the student school day is subsequently rescheduled and made up, employees will perform their regular assignment without additional compensation. Employees will adjust their hours to the announced starting time on delayed school opening days.

Note: When Early Childhood classes are cancelled, employees scheduled to work these classes will not report to work until their next scheduled class time.

7.11 School Closings: If a clerical employee is at work and on duty and is sent home by the Superintendent of Schools as a result of inclement weather, or any other reason not related to discipline or the failure to perform duties properly, the clerical employee shall be paid for a full day.

7.12 Jury Duty: An employee who is absent because of required jury duty will be granted leave and will be paid the difference between his/ her regular salary and the fee received for such jury duty. An employee who completes her/his jury duty with one-half (1/2) day or more of the work day remaining shall report for work for that period.

7.13 Military Leave: Leaves of absence for military service will be granted in accordance with all applicable statutes.

7.14 Parenting Leave:

7.14.1 A parenting leave shall be granted by the School District, subject to the provisions of this Section, to one (1) parent in conjunction with the birth or adoption of a child.

7.14.2 An employee making application for parenting leave shall inform the Human Resources Department in writing of intention to take the leave at least three (3) calendar months before commencement of the intended leave.

7.14.3 If the reason for the parenting leave is occasioned by pregnancy, an employee may elect to utilize sick leave during the period of the employee's disability pursuant to the sick leave provisions of this Agreement. A pregnant employee who elects disability leave shall provide at the time of the leave application the completed forms as determined by and obtained from the Human Resources Department.

7.14.4 The leave shall begin at a time requested by the employee, provided the leave begins not more than six (6) weeks and one (1) day after the birth or adoption of the child. However, in the event the child must remain in the hospital longer than the mother, the leave shall not begin more than six (6) weeks after the child leaves the hospital.

7.14.5 The leave shall not exceed twelve (12) months. In the event the employee requests parenting leave for a period in excess of six (6) weeks, such additional leave time may be granted at the sole and exclusive discretion of the superintendent whose decision is final and binding and not subject to the grievance procedure.

7.14.6 An employee returning from parenting leave shall be reemployed in his/her former classification without loss of seniority unless previously discharged or laid off.

7.14.7 Failure of the employee to return pursuant to the date determined under this Section shall constitute grounds for termination in the School District.

7.14.8 The parties agree that the applicable periods of probation for employees as set forth in this Agreement are intended to be periods of actual service enabling the School District to have opportunity to evaluate an employee's performance. The parties agree, therefore, that periods of time for which the employee is on parenting leave shall not be counted in determining the completion of the probationary period.

7.14.9 An employee who returns from parenting leave within the provisions of this Section shall retain all previous experience credit under the Agreement earned as of the beginning date of the leave of absence.

7.14.10 An employee on parenting leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the employee wishes to retain, commencing with the beginning of the

parenting leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the School District pursuant to this Section.

7.14.11 Leave under this Section shall be without pay or fringe benefits.

7.15 Compensatory Time:

This provision shall be in effect so long as the School District offers a high deductible plan and the contributions listed in Article Section 8 exceed the cost of the high deductible plan premium by ten dollars (\$10) or more per month.

8.2 Life Insurance: The School Board will pay 100% of the premium for \$50,000 life insurance coverage. This coverage is available to all employees who work twenty (20) hours or more per week. Eligible employees may purchase an additional \$20,000, \$40,000, \$60,000, or \$80,000 supplemental life insurance coverage at their own expense. The premium will be paid by payroll deduction.

8.3 Long-term Disability Insurance: The School Board will make available long-term disability insurance coverage for employees who qualify and are enrolled in the School District's long-term disability insurance plan. All employees eligible for and enrolled in this long-term disability plan and all future eligible employees shall be enrolled in and shall pay the full premium for this coverage by payroll deduction. This coverage applies to all employees who work twenty (20) hours or more per week.

8.4 Ten (10) Month Employees: Eligible ten (10) month employees will receive applicable School District contributions for all insurance benefits elected by the employee. All premiums will be paid through nineteen (19) payroll deductions.

Ten (10) month employees who enroll in term life insurance will have twelve (12) month coverage. The School District will pay premiums for this coverage.

Ten (10) month employees will enroll in long-term disability insurance. The employee will pay all premiums for twelve (12) month coverage through nineteen (19) payroll deductions.

8.5 Selection of Carrier: The selection of the insurance carrier and policy shall be made by the School Board.

8.6 Claims Against the School District: It is understood that the School Board's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein and no claim shall be made against the School Board as a result of a denial of insurance benefits by an insurance carrier.

8.7 Duration of Insurance Contribution: An employee is eligible for School Board contributions as provided in this Section as long as the employee is employed in paid status by the School Board. As an exception, an employee who is receiving workers' compensation disability income benefits

resulting from injury or illness incurred as an employee of the School District shall be considered in paid status for purposes of this provision. Upon termination of employment, all School Board participation and contributions shall cease effective on the last working day.

- 8.8 Dental Coverage: Dental coverage is available to all bargaining unit employees who work twenty (20) hours or more per week. Upon written authorization by the employee involved, the School District will deduct from the employee's paychecks such amounts as are specified by RAVE CA to cover premium payments for a RAVE CA designated dental insurance plan. These withholdings will be paid by the School District to the carrier designated by RAVE CA on a monthly basis.

## SECTION 9 GRIEVANCE PROCEDURE

- 9.1 Grievance Definition: A grievance shall mean an allegation by RAVE CA, on its own behalf or on behalf of an employee, resulting in a dispute or disagreement between RAVE CA and the School Board as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.
- 9.2 Representation: RAVE CA, the supervisor, or the School Board may be represented during any step of the procedure by any person or agent designated by such party to act in her/his behalf in accordance with State statute.
- 9.3 Definitions and Interpretations:
- 9.3.1 Extension: Time limits specified in this Agreement may be extended by mutual agreement.
- 9.3.2 Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays in this Agreement.
- 9.3.3 Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.
- 9.3.4 Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.
- 9.4 Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School Board's designee, setting forth the facts and the particular relief sought within ten (10) days after the date the event giving rise to the grievance occurred, or the employee had reasonable knowledge thereof. Failure to file any grievance within such period

shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School Board designee.

9.5 Designation of Board Representative: It shall be the duty of the School District to post notice of the School Board representative designated to handle grievances at any particular level. If the School District fails to post such notice the employee may serve any notices required by the grievance procedure on the coordinator of Human Resources.

9.6 Adjustment of Grievance: The School Board and/or designee and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

9.6.1 Level I: If the grievance is not resolved through formal discussions between the employee and her/his supervisor, the supervisor shall give a written decision on the grievance to the parties involved within five (5) days after receipt of the written grievance.

9.6.2 Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the coordinator of Human Resources, provided such appeal is made in writing within five (5) days after receipt of the decision in Level I. If a grievance is properly appealed to the coordinator of Human Resources, the coordinator of Human Resources or his/her designee shall set a time to meet regarding the grievance within five (5) days after receipt of the appeal. Within five (5) days after the meeting, the coordinator of Human Resources or his/her designee shall issue a decision in writing to the parties involved.

9.6.3 Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the Superintendent of Schools, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly appealed to the Superintendent of Schools, the Superintendent of Schools or designee shall set a time to hear the grievance within fifteen (15) days after receipt of the appeal. The date and time will be designated. Within ten (10) days after the meeting, the Superintendent of Schools or designee shall issue her/his decision in writing to the parties involved.

9.7 School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notifies the parties of its intention to review within ten (10) days after the decision has been rendered. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to affirm, reverse or modify such decision.

9.8 Denial of Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided herein including observance of dates and time of meetings shall constitute a denial of the grievance and the employee may appeal it to the next level.

- 9.9 Arbitration Procedures: In the event that the employee and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:
- 9.9.1 Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent of Schools within ten (10) days following the decision in Level III of the grievance procedure.
- 9.9.2 Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.
- 9.9.3 Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within five (5) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request an arbitrator, pursuant to the P.E.L.R.A., providing such request is made within ten (10) days after request for arbitration. The request shall ask that the appointment be made within twenty (20) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator within the time periods provided herein shall constitute a waiver of the grievance.
- 9.9.4 Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be de novo.
- 9.9.5 Decision: The decision by the arbitrator shall be rendered within twenty (20) days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations provided by the P.E.L.R.A. of 1971 as amended.
- 9.9.6 Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.
- 9.9.7 Jurisdiction: The arbitrator shall only have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator and only pursuant to the terms of this procedure, the terms of this Agreement and the provisions of P.E.L.R.A. of 1971 as amended. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement.

SECTION 10  
JOB POSTING AND SENIORITY

10.1 Posting of Job Openings: New positions or vacancies of more than thirty (30) days duration will be posted in each building for a period of five (5) days after the date the posting is sent by the Human Resources Department. A copy of postings shall be provided to two (2) RAVE CA officers at the time of posting. Applicants for posted positions must submit their application to the Human Resources Department in writing before the close of the posting period. The position shall be awarded on the basis of qualifications including, but not limited to, seniority. All internal non-probationary employees covered by this working agreement who apply to HR using the internal transfer form on or before the posted deadline will be entitled to an interview.

Final decisions, however, for employment advancement or promotion, will be made by the employer.

10.2 Seniority List: An updated full-time seniority list and part-time seniority list will be posted in each building every year.

10.2.1 Seniority Tie Breaking: The parties agree that when more than one employee shares a seniority date, the employee with the lower School District employee number shall be deemed senior.

10.3 Placement of Physically Disabled Employee: The School District and the exclusive representative recognize the fact that an employee may become physically disabled, as a result of employment with the School District, to such an extent that the disability would be detrimental to the employee's chances of employment elsewhere. Following notification to the exclusive representative, the School District may assign such physically disabled employee to a vacant position which she/he is capable of performing without having posted such position.

10.4 Loss of Seniority: Seniority shall be lost due to resignation, discharge for cause, failure to return from layoff in the time required or failure to return from leave of absence upon the expiration of the period of leave approved by the School District.

SECTION 11  
DISPLACEMENT, INVOLUNTARY/VOLUNTARY LEAVE AND RECALL

11.1 Recognition: The parties recognize the principle of seniority, defined in Section 11.3.

11.2 Definitions: For purposes of Section 11:

11.2.1 Full-Time Employee: A full-time employee for purposes of Section 11 only is defined as a person who works thirty (30) or more hours per week on a regular basis.

11.2.2 Part-Time Employee: A part-time employee for purposes of Section 11 only is defined as a person who works less than thirty (30) hours per week and fourteen (14) or more hours per week on a regular basis.

11.2.3 Probationary Employee: An employee who has worked less than sixty (60) days in a full-time or part-time position.

11.2.4 Casual Employee: An employee who works either:  
A. Less than fourteen (14) hours per week or  
B. Less than sixty-seven (67) days per year

11.2.5 Temporary Employee: A person hired as a replacement for a full-time or part-time employee who is on an approved leave of absence and whose assignment ends upon the return of the full-time or part-time employee.

11.2.6 Displacement: An act that results in a displaced employee.

11.2.7 Displaced Employee:  
A. An employee whose position is eliminated or  
B. An employee who, due to his/her seniority date, is bumped by a more senior employee, or  
C. An employee whose position is changed from full-time to part-time, or  
D. An employee whose position is changed from part-time to full-time.

11.2.8 Bumping: The process by which a displaced employee secures a new position per Section 11.6.

11.2.9 Involuntary Leave: A displaced employee for whom there is no position in his/her own wage group or for whom a position in a lower wage group is offered and declined.

11.2.10 Voluntary Leave: A displaced employee who declines a position in his/her own wage group.

11.2.11 Recall: The rights of an employee on involuntary leave to be reinstated to an open position in his/her own wage group or, if accepted by the employee, an open position in a lower wage group.

11.3 Seniority Date: Employees within the appropriate unit shall acquire seniority upon completion of the probationary period as defined in this Agreement and upon acquiring seniority, the seniority date shall relate back to the date of original employment of continuous service within the appropriate unit and shall be accumulative only within this appropriate unit.

Casual, temporary and probationary employees do not acquire seniority rights and do not have rights under Section 11.

11.4 Reduction in Hours: In the event that a full-time employee's position is reduced, but as a result of that reduction continues to qualify as a full-time employee as defined in Section 11.2.1, such employee is not entitled to displace any other employee regardless of seniority.

In the event that a full-time employee's position is reduced to part-time as defined in Section 11.2.2, such employee may accept such reduced position within the building or department or may elect to displace a less senior employee in the School District in accordance with the provisions of Section 11.6.

In the event that a part-time employee's position is reduced, but as a result of that reduction continues to qualify as a part-time employee as defined in Section 11.2.2, such employee is not entitled to displace any other employee regardless of seniority.

In the event that a part-time employee's position is reduced to less than fourteen (14) hours per week or less than sixty-seven (67) days per year, such employee may accept such reduced position within the building or department or may elect to displace a less senior employee in the School District in accordance with the provisions of Section 11.6.

Employees who accept a position less than fourteen (14) hours per week or less than sixty-seven (67) days per year forfeit all future rights under this contract.

11.5 Displacement Due to Program/Staffing Changes:

The parties agree to the following procedure regarding changes that impact clerical staffing needs.

When staffing requirements decline at a building, the clerical employee in the position reduced in that building with the least School District seniority will be displaced and may elect to displace a less senior employee in the School District in accordance with the provisions of Section 11.6.

If a single incumbent position in a building is eliminated, the clerical employee in the position will be displaced and may elect to displace a less senior employee in the School District in accordance with the provisions of Section 11.6.

11.6 Bumping Process:

11.6.1 Notice of Position Elimination: An employee whose position is being eliminated will be sent written notice from the building or program administrator of the position elimination decision no less than thirty (30) working days before the last scheduled work day. As an exception, notice of less than thirty (30) working days may be given with respect to special education positions whose elimination is unforeseen. Copies of this notice shall immediately be sent to the coordinator of Human Resources. Human Resources will forward a list of all displaced employees to the officer designated by RAVE CA.

11.6.2 Bumping Guidelines:

If a full-time employee’s position is eliminated or reduced to part-time, that employee may bump the least senior full-time employee according to wage groups in the order listed below. Full-time employees may only bump other full-time employees in their current wage group or a lower wage group.

If a part-time employee’s position is eliminated or reduced to less than fourteen (14) hours per week or less than sixty-seven (67) days per year, that employee may bump the least senior part-time employee according to wage groups in the order listed below. Part-time employees may only bump other part-time employees in their current wage group or a lower wage group.

For purposes of this procedure:

- Buildings/Programs establish their staffing needs
- Bumping occurs on a School District-wide basis, not by building or department
- Bumping occurs by group not by position

- Positions are different than groups. A position is eliminated and the incumbent bumps the least senior employee in that group, not the least senior employee in the same position.
- An employee serving in more than one wage group will be considered as a member of the wage group in which their regular assignment produces the greatest weekly earnings
- An employee cannot choose the group or position into which they wish to bump
- If there is an open position, that position is considered the least senior position
- An employee cannot bump into a higher wage group
- An employee cannot bump a more senior employee in a lower group
- A ten (10) month employee cannot bump into a twelve (12) month position
- A twelve (12) month employee can bump into a ten (10) month position
- A full-time employee cannot bump into a part-time position
- An employee cannot volunteer to be displaced

11.6.3 Bumping Procedures:

- A. The displaced employee will be placed into an open position based on his/her full-time or part-time status, wage group, seniority and qualifications.
- B. If there is no open position within his/her wage group, the displaced employee may bump the least senior employee within his/her wage group or a lower group. In any case, the displaced employee must meet the requirements of the position.
- C. An employee bumped from his/her position may elect to move to the next lower wage group in like manner except that the thirty (30) day advance notice requirement stated above shall not apply when an employee is bumped pursuant to the provisions of this Section.
- D. An employee who chooses not to accept an open position within his/her own wage group or who chooses not to bump within his/her own wage group will be placed on voluntary leave.
- E. An employee who, due to his/her seniority date, is not offered an open position or who does not have rights to bump into a position will be placed on involuntary leave.

11.7 Recall: Employees shall be recalled in order of seniority for a position within the same wage group held prior to involuntary leave or a lower wage group for which qualified. If a position becomes available for a qualified employee on involuntary leave, the School District will contact the employee. The employee must respond by 4:00 p.m. of the next business day to accept or decline the reemployment. If the employee declines

the offer or does not respond by the deadline, the employee forfeits future rights to recall and is placed on voluntary leave. The employee must accept the first offer of rehiring at the same wage group from which the employee was placed on involuntary leave or the employee shall be placed on voluntary leave. The employee may refuse an offer for a lower wage group position without losing recall rights to a position at the same wage group from which the employee was placed on involuntary leave. However, once an employee is offered a lower wage group position and refuses such offer only higher wage group positions than that refused need be offered.

11.8 Duration of Voluntary or Involuntary Leave: An employee on involuntary leave shall retain his/her seniority and right to recall within an equal or lower wage group in seniority order for a period of one year after the date of involuntary leave. If the employee has not been recalled or rehired into a new position by the first student contact day of the following year, the employee will either resign or be terminated.

An employee on voluntary leave shall retain his/her seniority and right to apply, as an internal candidate, for posted positions for a period of one year after the date of voluntary leave. If the employee has not been rehired into a new position by the first student contact day of the following year, the employee will either resign or be terminated.

## SECTION 12 RETIREMENT

12.1 Early Retiree Insurance: Any employee who is a participant in the School District's health and hospitalization insurance plan as described in Section 8.1 and who retires following thirty (30) years of employment in the School District, or following fifteen (15) years of employment in the School District and attaining age of fifty-five (55), may continue the health and hospitalization coverage she/he had at the time of retirement until Medicare eligibility. The employee will pay the entire cost of the premium for this coverage.

12.2 Post-Retirement Health Care Savings Plan: Any employee who is eligible to participate in the School District's health insurance plan as described in Section 8.1, and who retires following fifteen (15) years of employment in the School District and fifty-five (55) years of age or older shall receive an amount obtained by converting one-third (1/3) the cash value of his/her unused sick leave up to one hundred forty (140) days or 1120 hours at the time of retirement. The School District shall deposit the total amount of the cash in the employee's name in the Post-Retirement Health Care Savings Plan administered by the Minnesota State Retirement System. The employee's daily rate of pay shall be calculated as defined in Section 3.3.

13.2 Legal Authority: Such plan shall be approved and subject to applicable provisions of Minnesota Statutes and IRS Code Section 403(b) or IRS Code Section 457, and any amendments thereto.

Years of service shall be determined as of December 1.

Part-time employees who have completed ten (10) or more years of service (calculated from the employee’s seniority date) and who are either (a) twelve (12) month employees whose regular assignment is equivalent to at least 50% (.5 FTE), or twenty (20) hours per week, of the annual hours for a full-time twelve (12) month employee, or (b) ten (10) month employees whose regular assignment is equivalent to at least 50% (.5 FTE), or twenty (20) hours per week, of the annual hours for a full-time ten (10) month employee, shall be eligible for the matching School District contribution provided in Section 13.8. vendors who also agree to cooperate with the third party administrator in maintaining plan compliance will be utilized.
