

## Grade 5 - Unit 4 Writing - Literary Essay: Proving Your Interpretation of a Character

### Unit Focus

Students will do the heavy lifting work of rehearsing and revising interpretations of literature in their social issues book clubs. Using the theories that students developed in book clubs using a variety of text they will write literary essays. The focus might be on theme, character analysis, importance of setting, author's craft, changes of character from beginning to end of story, or anything else related to analyzing a story. Some students will use one text while others will compare and contrast using multiple texts. The end product will include a thesis/claim, supporting evidence (actual words) from their book(s), organization using paragraphs, and conclusions which may include, an inspirational quote or thought, circling back to the beginning, making connections to the "real world" or the author's own life.
