Dear Arrowhead Families,

What a joy to see so many families on campus during conference time. Please continue to communicate and partner with your child’s teachers so we can work together to help students feel supported, challenged, and known.

This year Northshore School District is implementing an instructional and assessment tool called iReady. Please see a letter with more details later in the newsletter, and reach out to your child’s teacher or me if you have any questions. So far, we are finding the iReady accurately identifies a child’s strengths and needs in reading and math and is a useful tool in supporting each child’s individual needs.

The two-week break coming up in December provides opportunities for family time, reading, travel or other wonderful activities, but it also provides opportunity for boredom. I had a teacher who said, “The intelligent mind is never bored.” Recent research shows that boredom gives our brains time to be creative, solve problems, and process our experiences. Too often we hand our children a quick-fix to their restlessness and fear what might happen if they aren’t entertained and get bored. While the tunnel to China (the Bailey kids, circa 1979 when mom locked us out of the house because we were driving her crazy) might require some landscape repair, it’s okay for kids to be bored enough to invent something to do or even just daydream. Boredom, like time and opportunity, can be a valuable gift.

We return to school on Monday, January 6th. The winter solstice is Saturday, December 21st and I am looking forward to the days getting longer. It hasn’t been bad yet, but our parking lot, sidewalks and playgrounds can be icy and slippery. Our custodians de-ice in the morning, but please take care and let the front office know if there is a patch of ice that hasn’t been taken care of. And of course, please send children to school with winter clothing. Recess can be cold, wet and muddy. If you need any help at all with winter wear for growing children, reach out to me, your child’s teacher, or Heidi Smith. We have resources to share.

On behalf of the staff, I would like to thank you for all you do to support your child’s learning and the entire school. We extend our heartfelt wishes to each of you for a most enjoyable winter season.

Warm wishes,

Kristin

### Help for the Holidays

If your family is in need of any help this holiday season with food or gifts, please stop by the health room, or call Nurse Anne directly at: 425-408-4006. All inquiries are confidential. Most organizations are currently registering families for holiday assistance. Please also see the information at the end of this newsletter about holiday assistance.

### Yearbooks

Look for order forms coming home with your student in late January. The office will be accepting orders beginning January 28<sup>th</sup> through February 14<sup>th</sup>. Cost is $15.00 each. Yearbooks are distributed in June for those who purchase by
February 14th. There are a **very limited** number for sale in June at a cost of $17.00 each. Order early to guarantee your student gets one.

**Change in Plans?**
If your student is going to deviate from their normal method of getting home or has some other change of plan, the **Change in Plan form** can be used to report this information to the teacher.

Please send this form or a note with your student when they have a change of plan. Thank you!

**Kitchen News**
We have a new Kitchen Manager here at Arrowhead! Her name is Nong Ratanapintha. She joins Joyce who is going on her fifth year here. Nong has been with Northshore for quite some time. She worked for Northshore for 12 years until she moved to California. She continued working in Food Services in California for 4.5 years until she moved back to Northshore last February during our crazy snow storm. We are so excited that she is here!

Nong would like you all to know that if you have any questions about your student’s lunch account to please call her at 425-408-4008.

If your family situation or income has changed, please feel free to apply for Free and Reduced Price Meals. We can send a paper application home or you can apply online at [paypams.com/onlineapp.aspx](http://paypams.com/onlineapp.aspx).

Food Services is always looking for Substitute Kitchen Staff. If you are interested in working 2-3 hours a day and have the same days off as your child, please consider applying at [https://www.nsd.org/our-district/departments/human-resources/employment](https://www.nsd.org/our-district/departments/human-resources/employment)
Dear Parents and Guardians,

I am excited to share that Arrowhead is implementing a math and reading program called i-Ready. Below, you will find information on the program and how we will be using it in the classroom.

What is i-Ready?

i-Ready is an online program that will help us determine your child's needs, personalize their learning, and monitor progress throughout the school year. i-Ready allows us to meet your child exactly where they are and provides data for us to increase your child’s learning gains.

The i-Ready Diagnostic is an adaptive assessment that adjusts its questions to suit your child’s needs. Each item a student sees is individualized based on their answer to the previous question. For example, a series of correct answers will result in slightly harder questions, while a series of incorrect answers will yield slightly easier questions. The purpose of this is not to give your child a score or grade, but instead to determine how best to support your child’s learning.

Arrowhead students took a fall diagnostic assessment to determine their strengths and learning needs. Their growth will be checked with a winter and spring assessment.

i-Ready Instruction provides students with lessons based on their individual skill level and needs so your child can learn at a pace that is just right for them. These lessons are fun and interactive, with games and characters to keep your child engaged as they learn.

What can I do to help?

To deepen your child’s learning in Online Instruction, you can:

- Discuss your child’s progress on their i-Ready lessons
- Celebrate your child’s learning and growth.
- Encourage them to use i-Ready at home.
  - They will need access to a computer and internet and login information. To check if your system meets i-Ready system requirements, please visit i-Ready.com/Support to run the system check.

As always, thank you for your continued support and for being a partner in your child's learning! I look forward to sharing i-Ready reports with you throughout the year and to providing a learning experience that will attract and hold your child’s interest while teaching important skills and concepts.

If you have any questions about i-Ready, please do not hesitate to contact me or the school. You can also learn more about i-Ready by visiting i-ReadyCentral.com/FamilyCenter.

Sincerely,
Kristin Bailey
Start Time
For the safety of the students, please remember to drop off for school after 9:05 am. There is no supervision on the playgrounds before this time. Thank you!

Music Notes
What an amazing Veterans Day Assembly!!!! Thank you so much Ms. Webb for orchestrating such a meaningful assembly. It was a nice addition having the students introduce their Veterans. We talked with many and they said that it is hard to top Arrowhead’s Veterans Day Assembly. They look forward to it every year. The fifth grade did a great job center stage singing patriotic songs and sharing historical details. We are very fortunate to have such a moving assembly in which our student body is able to express their admiration and appreciation to our Veterans.

3rd Grade Music Performance
Mark your calendars for the 3rd Grade Music Performance on Tuesday, December 17th in the Gym at 7:00 pm.

Emergency and Snow Information
Emergencies such as inclement weather, power outages and hazardous road conditions can alter school schedules and affect bus transportation. The decision to close or delay schools is made by the superintendent as early as possible, usually around 5:30 a.m. Early dismissals will occur only if a delay in dismissal significantly increases hazards. In the event an early dismissal is required, it is important that you have a plan for your student.

Access the Limited Roads During Inclement Weather to locate your bus stop during inclement weather.
• Your snow stop may be the same as your regular bus stop.
• Your afternoon time will remain unchanged.
• If Northshore school buses use snow routes/stops in the AM, they will also be used in the PM regardless of weather conditions.
• Please dress your student accordingly for the weather. Even though we state that your stop will be 2 hours late, further delays may occur due to road conditions and traffic. Hat, gloves, coat and boots would be ideal in case they need to wait a little longer.
• Northshore is a large district and covers over 60 miles, while conditions may seem normal in your neighborhood, it may be unsafe in others. All of this is taken into consideration when a decision is made to cancel, delay, go onto snow routes, or keep everything on normal schedule.

The decision to close schools or delay start times will be announced on flashalert.net, most local radio and television stations and the district website. Families will be notified using the district’s emergency messaging systems and mobile app. You may also call the district information line at 425-408-6001, beginning at 6 a.m., for school closure information. Emergency make-up days will be added to the end of the school year.

If “Northshore School District #417” is not mentioned during the newscast, it means schools are open, with buses operating as normally as possible. If Northshore is mentioned, one of the following situations will be announced:

1. **“2 hours late, normal bus routes”** means:
   • Buses start 2 hours late on normal routes
   • School starts 2 hours late with regular dismissal time
   • All partial programs canceled
   • No ATP Networks, Sorenson ECC, Headstart or preschool/pre-k programs, indistrict CTE satellite shuttles, Dartmoor, and Dolan Academy
   • No out-of-district transportation
   • No elementary band/orchestra or zero-period classes

2. **“2 hours late, snow (limited or alternate) bus routes”** means:
   • Buses start 2 hours late on snow routes. **NOTE:** Snow routes will be posted in early November.
   • School starts 2 hours late
   • All partial programs canceled (Sorenson ECC, preschool, ATP at Bothell High School, Head Start, Dartmoor, and Dolan Academy)
- No out-of-district transportation
- No elementary band/orchestra, zero-period, CTE

3. **“On time, snow (limited or alternate) bus routes”** means:

- Buses start at normal time on snow (limited or alternate) routes. Visit www.nsd.org/nsdtransportation to find snow routes.
- School starts 2 hours late
- All partial programs canceled (Sorenson ECC, preschool, ATP at Bothell High School, Head Start, Dartmoor, and Dolan Academy)
- No out-of-district transportation
- No elementary band/orchestra, zero-period, CTE

4. **“Closed”** means:

- All district schools closed
- No after-school/evening activities, athletics or band/orchestra

Snow bus route locations will be available on the Transportation website in early November at www.nsd.org/nsdtransportation, or by contacting the Transportation Department at 425.408.7900.

Changing conditions may cause the district to alter the status of school. Listen to radio and television for the latest information.

**Substitute Nurses Needed**

Are you a Registered Nurse who might be interested in exploring the rewards of school-based nursing, supplementing work hours or simply maintaining nursing licensure credentials? We would love to discuss available opportunities as a substitute nurse with the Northshore School District – this is a great way to transition into community nursing with K-12 school age children.

Contact Rebecca Cavanaugh, Health and Nursing Supervisor, Northshore School District: 425.408.7728 or rcavanaugh@nsd.org.
When to Stay Home From School

If your student becomes ill it is sometimes hard to determine if he/she should stay home. Here are a few tips to help you make the best decision. If you are still not sure, please don’t hesitate to call Nurse Anne at 425-408-4006.

**PLEASE DO NOT SEND MEDICATION OF ANY KIND TO SCHOOL WITH YOUR CHILD.** This includes over-the-counter products also such as cough drops, Tylenol, or Ibuprofen. Click for the Northshore School District guidelines. [Medication policy](#).

**Fever:** A temperature taken orally, that is over 100 degrees Fahrenheit, is considered a fever. *Children should be fever-free for at least 24 hours (without fever reducing medication such as Tylenol or Advil) before sending them to school.*

**Vomiting/Diarrhea:** Anytime a child vomits or has diarrhea, he/she needs to be isolated from other children for 24 hours. If your child vomits in the night, keep him/her home from school the following day and until they are symptom free for 24 hours.

**Colds:** A runny nose by itself is not necessarily cause to keep your child home. However, if your student cannot manage their nasal drainage, or the runny nose is accompanied by a headache, nausea or the child is too tired to concentrate on schoolwork, he/she is probably too ill to come to school.

**Strep Throat:** Strep throat is a sore throat caused by streptococcal bacteria. A diagnosis of strep throat is done by a throat culture by your healthcare provider. The treatment for strep is antibiotics. *A child may return to school after being on antibiotic treatment for at least 24 hours and when all symptoms (including fever) are gone.*

Good health habits are our best defense against winter illness. This includes getting enough sleep, proper nutrition, and hand washing, as well as staying up to date on immunizations and flu shots. Also, *please be honest with your child’s friends – do not invite friends over if your children are sick or still recovering from illness, and limit sleepovers with playmates.*

**It is critical for the health of our whole community, including our staff, that you limit exposure of illness to others. Thank you in advance for making this a priority over the temporary disappointment your child may experience due to missing a party or special event.**

**Book Fair is Coming!**

We need volunteers to help at the Book Fair. You can sign up at [https://www.signupgenius.com/go/5080d49aca62da31-arrowhead2](https://www.signupgenius.com/go/5080d49aca62da31-arrowhead2)

Thank you!!!
BOOKFAIR HEADS UP!

Bookfair is coming soon, and there are a few changes that we want to alert you to:

- **Bookfair** will open on Tuesday this year. Dates and times are listed above.
- We will be selling bookmarks and pencils but not the usual assortment of smaller objects and toys. While this might be disappointing to some students, we hope to place the emphasis back on books and reading.
- **ONLINE FAIR** opens earlier than our school fair, offering a larger selection of books as well as opportunities for family and friends out of state to order and support our school. Books will be mailed directly to the purchaser’s home or provided address. Online Fair will run Friday, November 22\(^{nd}\) - December 6\(^{th}\).
- **NEW this year:** Parents may put money into an eWallet for their child to use at bookfair. This avoids the problems that can come with loose cash. You can load an eWallet with money starting Wednesday, November 13\(^{th}\) - Friday, December 6\(^{th}\).
- [www.scholastic.com/bf/arrowheadelementary](http://www.scholastic.com/bf/arrowheadelementary) is where you will find a link to the Online Fair as well as a link to the eWallet.
Hello, everyone, and I hope you’re all enjoying this lovely seasonal sunshine.

**Thanksgiving Info:** Free community dinner Thursday November 28 at Holy Family Catholic Church in Kirkland. For the meal time and volunteer information please email hfkthanksgiving@gmail.com or contact Andrea Liggott in the Parish office at 425 822 0295. Donations of food items are also gratefully accepted. HFCK is also looking for someone who has a contact in the Linen industry who can help with discounted rental table cloths and napkins. Andrea is the point person for this, too.

**The Northshore YMCA** is continuing the tradition of providing gift cards and Holiday Meal Basket items to families in need in our community. For the request form and other information please contact Rodney Scott at rscott@seattlemca.org.

**Kenmore Community Church** will be having a Thanksgiving meal as part of its free Community Dinners on the last Tuesday night of each month. So … Tuesday, November 26, 2019 from 6:00 p.m. to 7:00 p.m. is the date to put on your calendar. Kenmore Community Church is located at 7504 NE Bothell Way, Kenmore, WA 98028. 425-486-7487.

**The Husky Pantry on the UW Campus:** On the Monday and Tuesday of Thanksgiving week from 9:00 a.m. – 4:30 p.m., the Husky Pantry located in the HaWRC office (Health and Wellness Resource Center ARC-120) and the Husky Food Pantry in the Diversity Center (UW1-173) will be accepting donations of non-perishable food items such as canned tuna and chicken, chicken/beef cup noodles, mac n cheese, granola bars, crackers, etc.

Toiletry items - shampoo, body wash, toothpaste, toothbrushes, floss, and feminine hygiene products - are also most welcome. Dean Wu is the contact and you can reach him at deanwu@uw.edu.

**King Co District Court Community Court**

https://kingcounty.gov/courts/district-court/Community%20Courts.aspx?dhome=users/ecooly/BlueZone The Community Court program, a therapeutic court aimed at helping folks with misdemeanors, is opening a new site at Shoreline City Hall in January. The resource center at each community court includes a wide array of on-site services - healthcare/insurance, education, job training, behavioral health, substance use disorder help, and more - and coordinator Ericka Cooley is looking for partners who can provide sack lunches once a week to folks when they’ve concluded their court hearing in Shoreline. It’s estimated that 10 – 15 sack lunches will be needed initially. For more information please contact Ericka directly at ecooley@kingcounty.gov.

**FRAC (Food Research and Action Center)**

For all the latest FRAC news, including updates on the proposed changes to the SNAP (Supplemental Nutrition Assistance Program), to sign up for weekly e-news blasts, register for webinars etc., please go to www.frac.org. And, check out the insightful blog in which five grandparents raising grandchildren share the challenges they face and how the federal nutrition programs help feed their ‘grandfamilies’.

And finally … don’t forget our next informal get-together 10:00 – 11:00 a.m. Thursday December 12 at the Rooster Coffee and Bakery, 16507 140th St NE, Woodinville. Hope to see you there.

If there’s something (up to 75 words in length) you’d like included in future newsletters, please send it to me at suefree7@hotmail.com by the last Friday of any month. Thank you!
Holiday Assistance
2019
Community Resources

GIFTS: King County

⭐ Hopelink Holiday Gift Rooms – for ages birth through 18.
REDMOND LOCATION: 8990 154th Ave. NE, Redmond, 98052. (425) 869-6000
