### The Options Evening

All students and parents have the opportunity to visit the subjects in which options are available to students. Subject staff will give a brief overview of the course and answer any subject specific questions. Senior staff will also be available to provide more general guidance about options.

### The Consultation Evening

This will be a 'normal' Consultation Evening where parents and students are invited to discuss the attainment, progress and effort of their son or daughter and whether they may be suitable for further study in the subject. Senior staff will again be available to provide more general guidance about decision making prior to the deadline of 30<sup>th</sup> January.

### Key Information

At Dubai College, the option blocks for GCSE subjects are given as detailed on the next page.

- Students choose their **4** preferred subjects online by **Thursday 30<sup>th</sup> January**, subject to one option being chosen in each block

Students and parents need to be aware of the following:

- **We reserve the right to not offer a course if there is insufficient demand for it.** If this does occur, students will be told as soon as possible after the options deadline and offered appropriate advice;
- Students who miss the 10.00am deadline of 30<sup>th</sup> January may not receive their preferred choices;
- Students *may* change their minds about option choices at a later date; however, they will only be allowed to change (subject to the discretion of Subject Leaders) if their new choice fits in with the option blocks **and** there is sufficient space available in subject sets. If there is insufficient space, then the student will be added to a waiting list for that subject. Any changes in options must be completed by Thursday 1<sup>st</sup> October 2020.
