ANNUAL FUND IMPACT IN ITS FOURTH YEAR

In 2018-2019 £750 including Gift Aid was generously given to the Annual Fund. The support of parents who make annual, one-off or regular gifts to The Annual Fund allows us to enhance teaching through the addition of exceptional educational equipment and learning opportunities for girls of all ages.

This year we have been pleased to support:

ENRICHING GIRLS' SCHOOL EXPERIENCE

**DIGITAL
THEATRE+**

- ▶ **Subscription to Digital Theatre, the world's leading digital platform for the Arts** - allowing Drama and English teachers access to productions from world-leading companies, many of which are studied as curriculum texts. Being able to watch productions by, amongst others, The National Theatre, Old Vic and Frantic Assembly gives girls the opportunity to explore set design, performance techniques, directorial decisions and to hear interviews with cast and creatives.

- ▶ **Chick Hatching** - teaching Prep School girls about life cycles and animal welfare through first hand experience. Linda Reading, PPIII teacher and Eco lead in Prep School says

“A big thank you must go to our Annual Fund Donors who have very generously supported this incredible Egg Hatching experience - It was a such joy to watch nature in action!”

- ▶ **Astrodome Science Workshop** - showing Prep School girls a view of the stars from within a specially designed planetarium and teaching them how to “cook” a comet in the Wonderlab. Pippa, Emily and Lottie write

“It was great to travel in the comfort of the dome through the solar system and beyond, looking at all of our planets and moons close up... This was a fascinating and unforgettable day.”

- ▶ **Globe for the Geography Department**

Gift Aid your donation to increase your impact by 25p for every £1 donated.

“ My daughter is a boarder from Hong Kong. She has made impressive improvements, from academic to personal development since she came to St Catherine's in 2013. In these, I see the great efforts of the School. As an overseas parent, I choose the more practical means of adding to these efforts - a recurring donation though humble, to The Annual Fund.

OTHER WAYS TO SUPPORT - LEAVING A LEGACY

Have you considered leaving a gift to St Catherine's School in your Will? Clearly the first priority is to ensure your family has been provided for. However, if you believe that St Catherine's provides a formative educational experience; instilling values and ethics that influence life-chances and positively benefit society, you may wish to consider a legacy to the School.

Perhaps you recognise the impact St Catherine's had on your life? Or you think that your own daughter's experience at St Catherine's will give them an incredible start in life? You may wish to 'give back' with a gift in your Will. A gift could give a bright girl a brighter future through a Bursary or maintain the historic values and fabric of the School into the future. The Development Director would be delighted to discuss this with you.
