

# Scrip for holiday gift giving!

Scrip is a program where we buy gift cards at a discount and sell them at full price. The profit is split between the school (30%) and the family towards tuition next year (70%)

The ladies in the office are often asked what a staff member would like as a Christmas gift. We now have 2 options to help you, if you are interested.

1. There is the red notebook in the office in which the staff have indicated Scrip they would like.
2. New this year is one generic gift certificate to a staff member from which many families have donated and the staff member can select what Scrip they would like. Write in the staff member to whom you would like to give, how much, if you would like your name signed on the card – and how it should be written. Then write one check to cover all the gifts. We will keep track of who the gifts come from and how much and give the staff member a certificate for Scrip in that amount. The staff member will chose what they would like. We will give 5% profit which will be split 30/70 as above  
**DEADLINE TO DONATE IS WEDNESDAY, DECEMBER 18.**

Staff member	Name on card- Y/N	If yes - how should it be written	\$ Amount
