

School Instrument Request

You and/or your child have indicated that it is not possible for your family to get an instrument through a store rent-to-own program. Wyandotte has a number of school instruments for temporary use for those with a financial need. **It is our primary mission that every child who wants to learn an instrument is given that opportunity**, and we are happy to work with your family to make that happen.

Sending in **\$25 will allow us to find your child a school instrument to use and take home immediately.** 😊 Most of the money goes towards mandatory supplies, which your child is able to keep: a daily instruction book and interactive download or dvd, 2 reeds, valve oil, cork grease, rosin and sponge shoulder rest, depending which instrument they select. A second/final \$25 is due by January 15th, which is used to help keep the school instruments repaired and in good working order. The instrument must be returned in June.

Instruments will be distributed on a first come basis – we do our best to give students their first or second choice! Once we receive the initial \$25, we will match the student with an instrument.

Additional questions? String students contact 734-759-5362. Flute, clarinet or saxophone questions contact Ms. Day at daym@wy.k12.mi.us or 734-759-5393. Trumpet and trombone questions contact Mr. Noble at noblem@wy.k12.mi.us or 734-759-5362. This is a wonderful opportunity, and we look forward to working with your child!

Sincerely,

Mary Day, Mike Noble

Instrumental Music Directors

****If you simply missed the store rental meeting, it is not too late!** Instruments can still be purchased/rent-to-own right from a music store. Some nearby dealers include A & R Music, Shar Music, and Marshall Music.

****Cash or money orders – no checks** – made out to Wilson Middle School. Please state child's name, phone, first and second choice instrument, and school – turn in to school office, music teacher, or to Wilson Middle School.
