

BOOKLIST FOR THE 2019-2020 SCHOOL YEAR

PRIOR TO SELLING YOUR BOOKS, PLEASE CHECK THE LIST BELOW TO SEE WHICH BOOKS YOU MIGHT NEED TO KEEP AS THEY WILL BE USED FOR A CLASS YOU WILL BE TAKING NEXT YEAR OR MIGHT BE USED FOR MORE THAN ONE YEAR. (This particularly applies Foreign Languages.)

To purchase books, go to <https://bookstore.mbsdirect.net/bishopsullivanhs.htm> and create an account. You may create an account any time but the online bookstore will be open to purchase books for next year July 9, 2019. You may currently purchase summer reading books in the BSCHS Bookstore or online.

The below list is designed to give you an overview of the books necessary for each class PLUS any course fees/AP exam fees which might be associated with the course and for which each student is responsible. (If there is a course fee listed but no amount, the amount has not yet been determined. Please check back for an updated Booklist.) These fees will be billed from the Business Office after the start of the new school year. To get the ISBN for each book and specific information necessary to purchase your book, you must visit the bookstore website, create an account, then go to the course list. You will see the cost of each book/item and the ISBN. You do not need to purchase books through the MBS Direct website but they have the most current information for the required books. Many of the course fees are to cover an etext, books distributed to the student which are required for the course, classroom copies of books or disposable workbooks which will be handed out in the classroom. If you use an access code and later drop the class or do not take the class, you are still responsible for paying for the access code.

Asterisk (*) denotes new text for 2019-2020; double asterisk (**) denotes a book used in previous years, but not last year.
