### **STOLEN AIRPOD EPIDEMIC**

There have been a lot of airpods being stolen at around the high school. It's disappointing to know your peers are stealing and it's costly to lose your valuables. Here are a few suggestions to help curb this epidemic: 1. If you see something say something; 2. Buy a cheap pair at the drugstore, and leave your expensive ones at home; 3. STOP STEALING YOUR FELLOW BHS CLASSMATES AIRPODS.

If you have any information of stolen air pods, please report this to the office.

-Ms. Wands/BHS Campus Supervisor

### NEW ASVAB DATE

Due to a nationwide ASVAB network failure during the November 20th ASVAB, we have rescheduled the ASVAB administration for **December 18th**. If you're interested in taking the ASVAB to learn more about your strengths and what opportunities are available to you, please let Mr. Dawson (in counseling) know. The

test can also be used to meet the state assessment graduation requirement. We are now offering the ASVAB after school on December 18th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.
