How to Apply: Read the [Application Process webpage](#). **The WASB Search Services will soon begin using an online application system.**

If you are already in our current database, we'll update you via email when you may access the new WASB Search Services Portal to create an account. At that time, we *strongly encourage* you set up an account in our new WASB Search Services Portal so that our Search Services emails reach you.

3. apply to a specific district's search (similar to our Stage Two materials).

During that process, you will be asked to complete forms and upload documents.

In the meantime, please refrain from sending application materials to the WASB/Sally via email.
