

Book Fair eWallet

A safe, convenient payment option for students. After the Fair, any unused funds are released back to the cardholder.

> What?

Book Fair eWallet is a secure, cash-free, **digital payment** option.

> Who?

Parents create a free account for their **student** and set a spending limit.

> Where?

Students use their eWallets to shop the **in-school Book Fair**.

> When?

Parents can **set up eWallets as early as two weeks prior** to and through the last day of your in-school Fair. Students can **shop with their eWallets any day of the Fair**.

> Why?

Because **parents don't always have cash on hand** to give their kids. (And let's be honest ... kids sometimes misplace their money.) And it's a great way for extended family and friends to participate in the Fair, too.

> How?

Since eWallet is already enabled for your Book Fair, all you have to do is:

1. **Learn about it.** Get details from your Toolkit **At a Glance** page.
2. **Spread the word.** Share your homepage link to let everyone know Book Fair eWallet is available at your school. Send home informational flyers and share the news on social media. Find resources in the Fair Files section of your Toolkit. Search keyword: **EWALLET**

Log in to your Toolkit to learn more about this convenient payment option for your school!
