Parent / Teacher Conferences:  Thank You!

Our Fall Parent/Teacher conferences are complete; we hope that you found the conversation informative. Thanks to Shelton View's teachers and parents for the continued support and partnership. Together, we are a necessary team for each of our students!

Reminder of our SWIM Expectations
SWIM represents the expectations we have building-wide for all students, as follows:

S - Show respect  
W - Work hard  
I - Include others  
M - Make safe choices

At home we encourage you to utilize this acronym and more importantly, the message it represents. For example, you may ask your child, "What part of SWIM are you demonstrating (at school or at home)?" And the student may reply, "I'm showing (or not showing) respect to you as my parent (or my teacher)."

Happy Holidays! What a wonderful time of the year!!!!
Substitute Nurses Needed:

Are you a Registered Nurse who might be interested in exploring the rewards of school-based nursing, supplementing work hours or simply maintaining nursing licensure credentials? We would love to discuss available opportunities as a substitute school nurse with the Northshore School District -- this is a great way to transition into community nursing with K-12 school age children. Contact Rebecca Cavanaugh, Health and Nursing Supervisor, Northshore School District: 425-408-7728 or rcavanaugh@nsd.org

Safety & Courtesy Reminder

During student drop off and pick up, please remember:
- The neighborhood speed limit is 20mph
- Inside the SV gates, the speed limit is 5mph
- Please do not block mailboxes, driveways, and park facing the correct direction on the street
- For parent pickup directions, please see https://sheltonview.nsd.org/our-school/parking-transportation
