CALL TO ORDER @ 6:18PM

Kamaria Finch (Executive Update)

Kamaria reported on recent events regarding the certificate of occupancy approval by the City of Atlanta.

- The City of Atlanta informed the HTCS Board that the certificate of occupancy is not approved on the Friday evening before school opening on Monday.
- Angela Heard, the city official who should have received our application from another department at the City of Atlanta, stated that she had not received it and has not record of the application.
- It is unclear at this time if the certificate of occupancy will be approved prior to the start of the academic school year. Parents have been notified of the uncertainty and updated on the possible alternatives for the school year.

- HTCS Board considered hiring legal representation to facilitate the certificate of occupancy approval; however, this plan was abandoned and facilitators are working with the City of Atlanta to facilitate the permit processing.
