8th Grade Essential Elements

Reading:

EERL.8.1 Find specific inferences from a text.

Writing:

EEW.8.2b Identify one or more facts or details related to the topic.

Math:

Distinguish between similar and congruent shapes.

Additional Information:

Sam's Club has been a beneficial experience for our class. Students work on ordering, picking up their order, selecting a drink, filling their cups with ice/ a drink, getting a lid/straw/napkin, sitting appropriately, having conversations with peers and cleaning up their area. We are so proud of all of them!
