## CLASSROOM NEWS

Dear Parents,

We just finished reading Hatchet and finishing our unit. Ask Conrad about Brian being lost in the wilderness! Conrad also finished his animal report on meerkats. He did a great job and can't wait to read it to you. Has he talked about Flower from Meerkat Manor?

In math, we're working on writing numbers as a fraction and in decimal form. We will be moving into adding and subtracting with decimals.

Have a great holiday!

Ms. K
