

# DECEMBER News

## What We Are Working On This Month:

12/1/2019

Welcome to December! It will be a short but action-packed month. We will continue with our worksites and CBIs per usual. This month for our daily living skills lessons, we will be focusing on laundry. We will be utilizing the washer and dryer here for actual practice and it helps if you work on it at home as well.

Please continue to work on independent responsible behavior at home as well, as well as healthy hygiene habits.

**MATH:** We will be focusing on Measurement and Data Analysis.

**READING:** We will be focusing on Craft and Structure in both Narrative and Informational Texts. Students will en-

gage in various selections from Raz-Kids. Our Informational reading will be focused on December holidays.

**LANGUAGE:** We will focus on Conventions of Standard English.

**WRITING:** We will work on Text Types and Purposes. We also utilize our Writer's Journals on a daily basis.

**SOCIAL STUDIES:** Current Events & December Holidays

**Daily Living-** Laundry
