Class Discussion

We are utilizing our school building as well as community outings as a means to learn important life skills. Students are using trays to get their breakfast and lunch, visiting other classes, going on errands, bowling, recycling, Wendy's and we all enjoyed a family style Thanksgiving dinner. December will be a very quick and busy month. Our class is going to start with our First Author's Curriculum. This is a comprehensive writing program that celebrates students writing and thought processes. It also provides systematic mini lessons that foster creativity and sharing. We will also continue to work on our IEP goals and objectives. As always, if there is anything you need please don't hesitate to contact me. Let's have a great December.
