DRAMA

DRAMA I

In this class, students will learn the essentials of acting and theatre and they will have the opportunity to perform for their peers on a regular basis. Additionally, students will learn about the basic fundamental Drama terms.

These terms include:

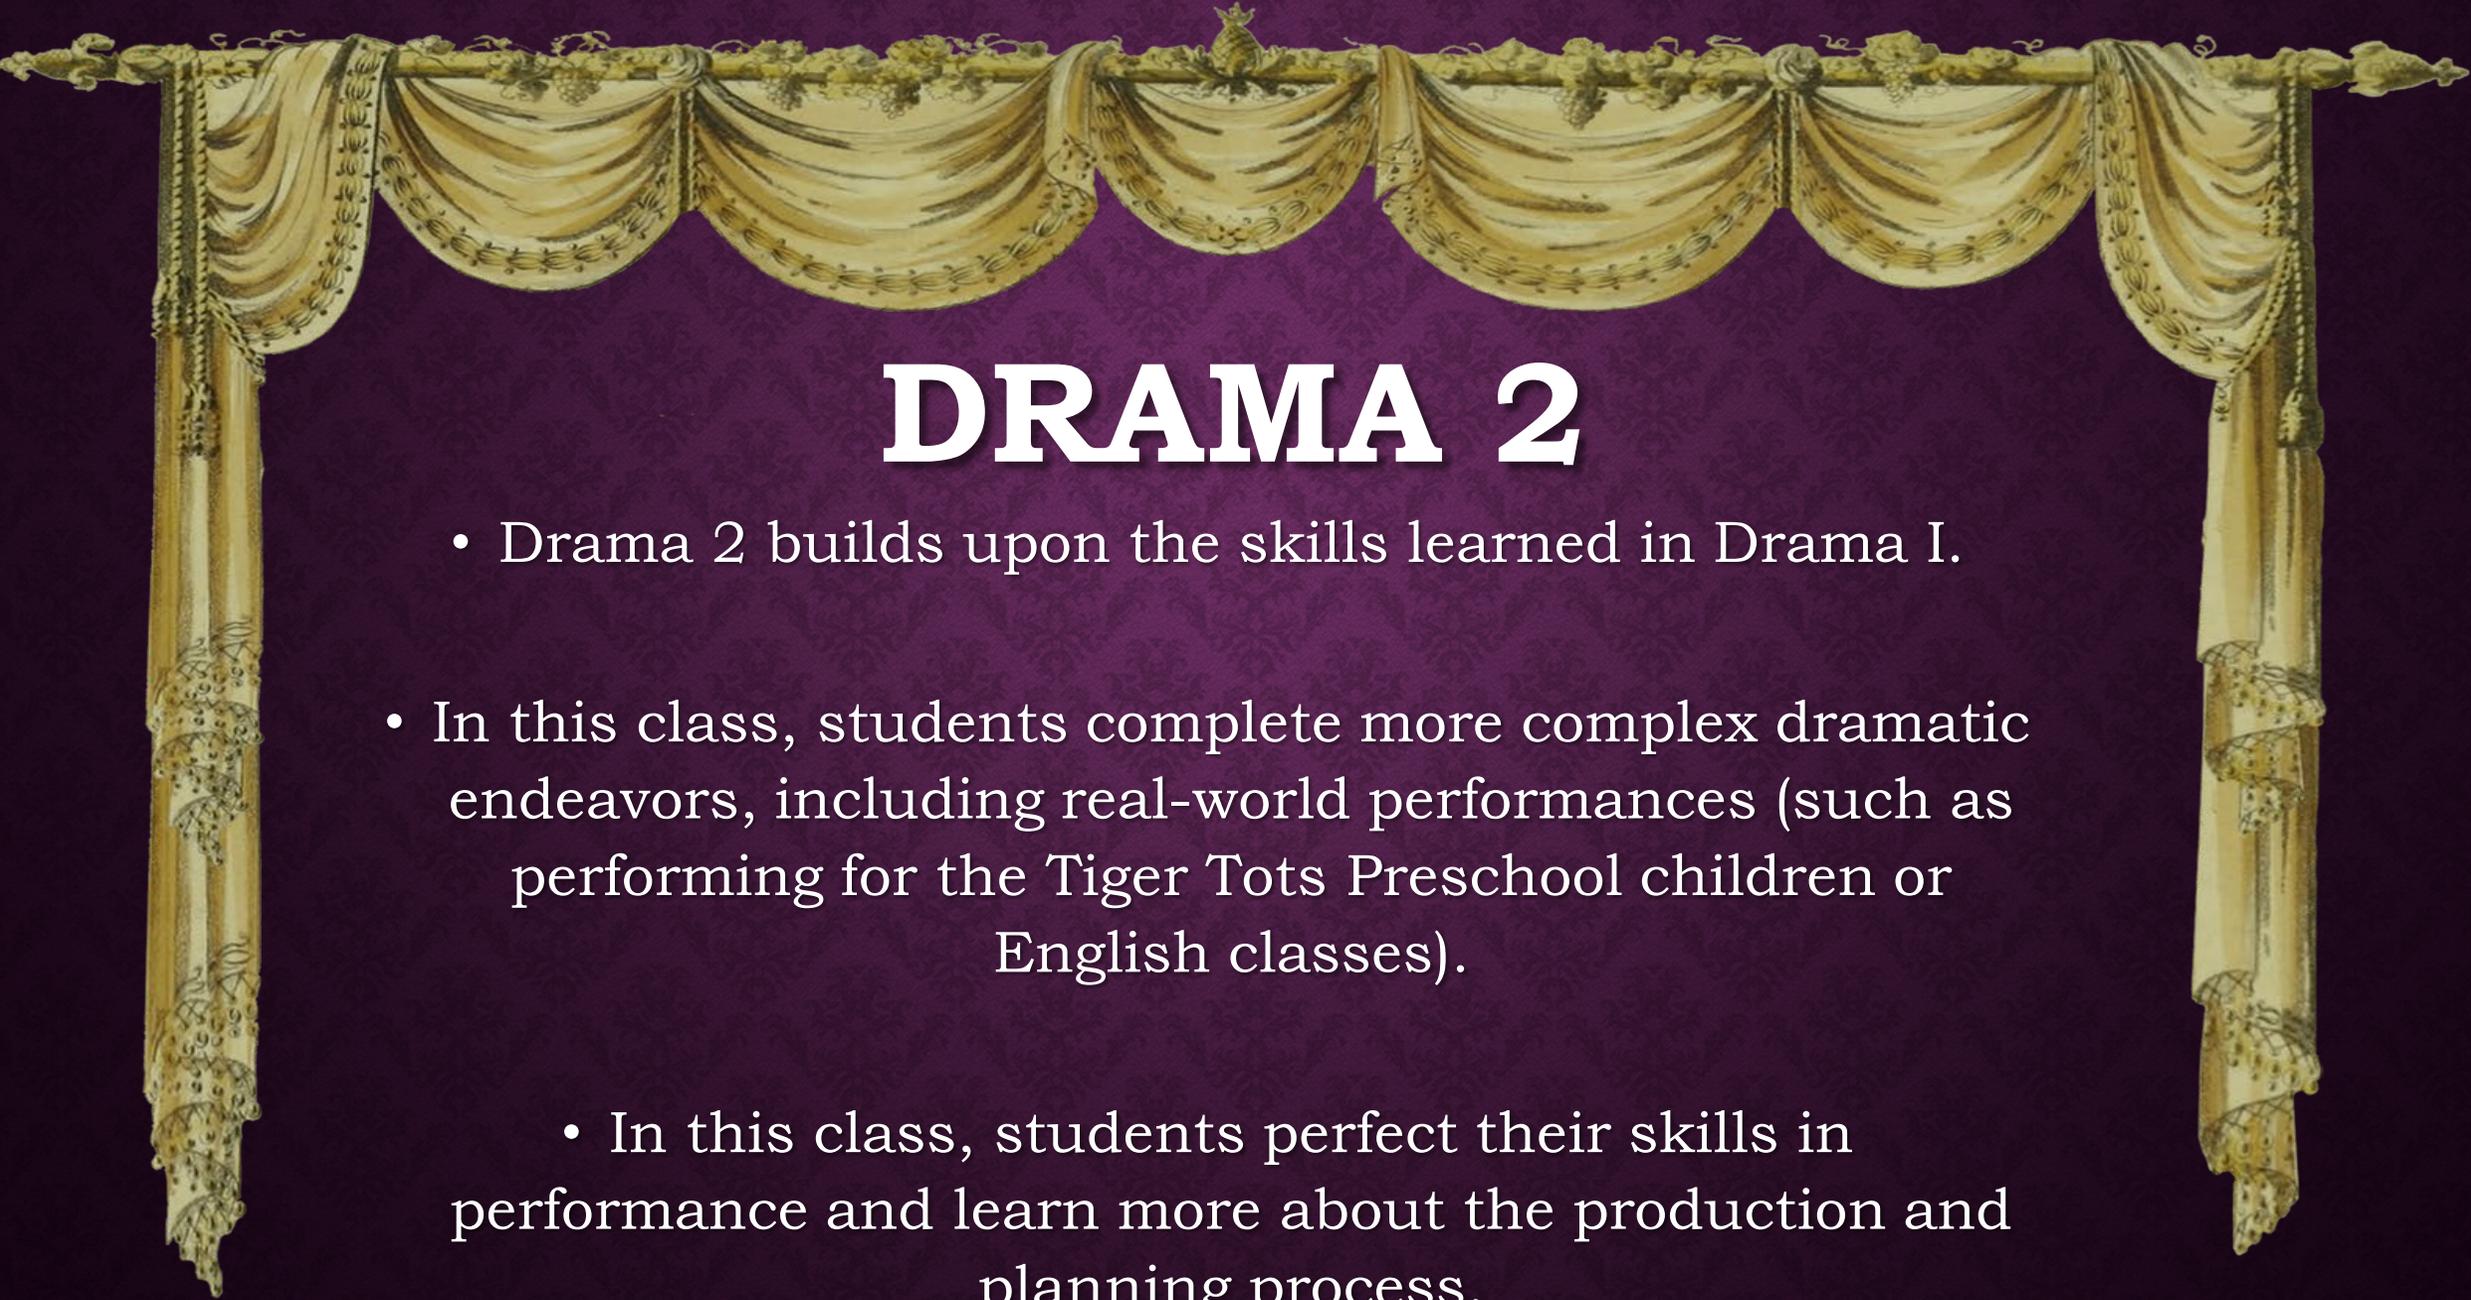

- Voice
- Pantomime
- Tableau
- Monologue

DRAMA 2

- Drama 2 builds upon the skills learned in Drama I.
- In this class, students complete more complex dramatic endeavors, including real-world performances (such as performing for the Tiger Tots Preschool children or English classes).
 - In this class, students perfect their skills in performance and learn more about the production and planning process.

THEATRICAL STUDIES

- Theatrical studies is an advanced performance class that brings together not only the skills learned in Drama 1 & 2 but all production aspects such as directing, backstage and tech work.

In this class, students are given creative liberty to create and perform detailed, memorized scenes based on the subject matter being learned.

- In this class, students will direct & produce a full length show to fundraise for the department as well as perform for the community.

STORYBOOKS ON STAGE!

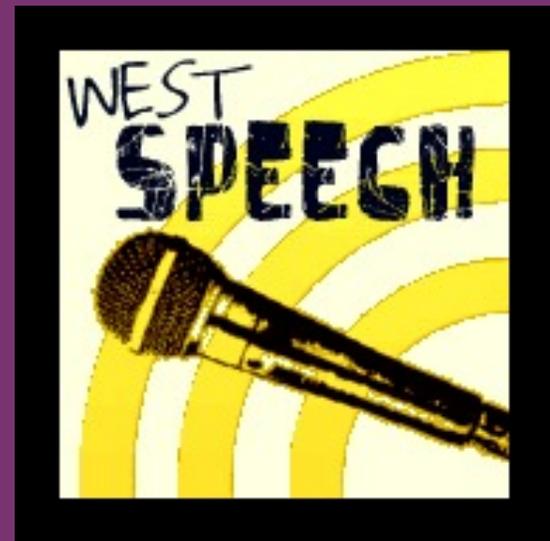

Spring show/fundraiser completely directed by Theatrical Studies students

If a Drama class elective is your first choice, be sure to register for it during your initial scheduling session. **Spots fill up quickly**, and it may be difficult to join later on!
