

Fairfield College Preparatory School

A Jesuit, Catholic School of Excellence

Dear Fairfield Prep Community,

Thank you again for your extremely generous support of our Thanksgiving Food Drive. The staff members from ABCD, Inc., Operation Hope, and Blessed Sacrament Parish are all incredibly grateful for the enormous amount the food you all shared. Thanks to your selflessness and generosity, we collected **22,751 items (18,449.47 lbs!)** which is, by far, the most successful drive Fairfield Prep has ever had.

In keeping with the spirit of holiday giving, let's keep the momentum going as we will hold our annual Christmas Toy Drive to benefit Catholic Charities of Fairfield County, Inc. The Toy Drive will begin Monday, December 2nd and will conclude on Tuesday, December 10th. Please note that the toys will be picked up by Catholic Charities here at Prep the following weekend.

This year, the Toy Drive is being facilitated by the Theology Department. Below you will find a list indicating what students from each Theology class have been asked to contribute. All gifts should remain unwrapped and be placed under the tree in our Arrupe Foyer. Thank you, as always, for your continued support and generosity!
