

Policy 4.008 TUITION REIMBURSEMENT PLAN NON-CERTIFIED PERSONNEL

ELIGIBLE EMPLOYEES

Any non-certified employee may apply for tuition reimbursement payment who meets the following criteria:

- Two years of continuous employment at C.E.S.;
- Scheduled to work 20 hours or more per week;
- Attendance over prior two years of employment 95% or better (e.g., average of 177 days or better for full-year academic year employees – average of 234 days or better for full-year 12-month employees); and *
- Recommendation of Program Administrator.

*In the event that there is an extended absence in a given year either due to a medical doctor certified disability for an employee or an approved leave of absence for student teaching, the attendance of the year prior to the most recent two year period may be considered in lieu of the year in which the absence occurred.

ELIGIBLE COURSES (one or more of the following)

Eligible courses for tuition reimbursement must be from accredited schools and/or organizations. This may include on-line courses that meet one or more of the eligibility criteria below and lead to either academic credit or a professional certificate. All course work eligible for reimbursement must be outside of regular work hours.

- A course designed to improve skills for current position at C.E.S., or
- A course that is part of a planned program leading to an academic degree or professional certificate related to a professional career at C.E.S.

REIMBURSEMENT CRITERIA

Reimbursement will be for the cost of the course only.

Reimbursement for course work will be at the maximum rate of 70% of the total cost of the course but may not exceed \$750. Total reimbursement for the year for all eligible applicants will be limited to the set-aside amount designated for the year.

Reimbursement is limited to one course per employee per semester.

Reimbursement will be made to the employee only if they have successfully completed all necessary requirements of the course and achieved either:

- A grade of B or better (for course offering a grade), or
- A passing grade (for courses solely offering Pass/Fail criteria)

A staff member must continue as a C.E.S. employee through the completion of the course in order to remain eligible for actual reimbursement.

ADOPTED: April 3, 2003

REVISED: October 5, 2017

REVISED: November 7, 2019

APPLICATION PROCESS

The agency application must be completed and submitted in accordance with the following date for each application period:

- Fall Semester Course – July 1st
- Spring Semester Course – December 1st
- Summer Session Course – May 1st

The application for reimbursement must be in writing on the designated agency form (see attached).

The written application must be completed in its entirety and must be printed/typed legibly.

APPROVAL PROCESS

Each application must have the written endorsement of the employee's immediate supervisor (e.g., Program Administrator) after consultation with the employee.

Applications will be reviewed by the Executive Director and Leadership Team within 30 business days of the application deadline. The Executive Director and Leadership Team will decide the following:

- Whether the application for reimbursement is approved/denied;
- The amount of the reimbursement, if approved.

The Executive Director will convey all decisions to applicants in writing within one week (or 5 business days) of the review meeting. Applicants who are not approved for reimbursement will receive a written explanation of why the application was denied. All decisions on applications for reimbursement are final.

REIMBURSEMENT PROCEDURES

An employee will receive the tuition reimbursement authorized at the time of approval upon:

- Successful completion of the course and employment at C.E.S. at the time the course is completed;
- Providing a copy of the tuition receipt for the course;
- Providing an official grade report or transcript reflecting a B or better or a Passing Grade.

A reimbursement check will be issued in full to the employee within 4 weeks (or 30 days) of submitting all required documentation listed above.

A staff member only remains eligible for reimbursement if they are employed by C.E.S. at the time the course is completed. Resignation prior to the completion of the course is a “forfeiture” of the approved reimbursement.

FUNDING

Annually the Executive Director will recommend to the C.E.S. Representative Council the set aside amount for tuition reimbursement. This amount or maximum pool will be designated from the preceding year’s fund balance. These funds will be placed in the Administrative Service’s budget and designated exclusively for tuition reimbursement.

The cycle of applications will begin for fall courses for the designated fiscal year, followed by applications for winter/spring courses and then summer course offering.

The recommended reimbursement pool is: **\$30,000 to be distributed as follows:**

- Fall Courses = **\$11,000**
- Winter/Spring Courses = **\$11,000**
- Summer Courses = **\$8,000**

These target percentages may be modified at the discretion of the Executive Director.

Any unexpended reimbursement funds from the previous application period may be extended to the next application period for a given year. Any unexpended funds for a given fiscal year will be returned to the agency fund balance.

If the cost of the approved offerings for an application period exceeds the monies available for an application period, the reimbursement amounts for approved applications may be prorated below the maximum allowable reimbursement (70%). Employees will be notified of this decision prior to the beginning of the course.
