The logo for the ASVAB Career Exploration Program. It features the word "ASVAB" in large, bold, black letters on a blue background. To the right of "ASVAB" is a red starburst graphic. Below "ASVAB" is the text "Career Exploration Program" in a smaller, purple font.

NEW ASVAB DATE

Due to a nationwide ASVAB network failure during the November 20th ASVAB, we have rescheduled the ASVAB administration for **December 18th**. If you're interested in taking the ASVAB to learn more about your strengths

and what opportunities are available to you, please let Mr. Dawson (in counseling) know. The test can also be used to meet the state assessment graduation requirement. We are now offering the ASVAB after school on December 18th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.

ATTENTION SENIORS!!

Are you confused about the entire scholarship process and don't know where to begin? Thankfully, the Bothell High School Counseling Department is here to help. We're offering a Scholarship Information Session that will give you a leg up in the process.
