

Putnam City Schools Indian Education Newsletter

From the Director:

The school year is almost halfway finished PC Indian Education students have had some great and positive school experiences thus far. We have Thanksgiving break and right around the corner, "Christmas Break". If each of you checks our PC school website you will find the basic information about our Indian Education program. The basics that are listed do not cover everything we can and will do for our Native students. If students or parents/guardians have questions about the program just give us a call at 405-495-5200 and ask for Indian Education.

Sincerely

George Shields - Director of PC Indian Education

27th Annual Indian Youth Career Day at UCO

TUTORING

Tutoring is based on academic need. Preference is given to those students who are currently failing or below average. Each student is assigned a tutor for two sessions each week depending on student need. Tutoring services are available for students in grades K-12. A 506 form must be on file with our office along with a tutoring request and permission agreement. Contact **Robie Coleman** at the Indian Education office, (405) 495-5200 ext. 1653.
