WHITE BEAR LAKE SCHOOL-DIST. RECREATION-DEPT.

We would like to welcome you into
winter with a heartfelt **THANK YOU!**

Earlier in November, the community voted to approve a \$326 million dollar bond request to address building needs across the district by 57.4%. This voter approved bond will fund a Comprehensive Facilities Plan that was based on a nearly year-long facilities planning process. We are extremely grateful for the support from the community and look forward to begin the planning process for building our district's future.

The Community Services and Recreation Department underwent a strategic planning process to guide our work moving forward for the next five years. Our team has been hard at work moving this year's strategic priorities forward. At the core of our strategic plan lies a community needs assessment. We look forward to connecting with the community and increasing our outreach for your feedback to assist in guiding our programming going forward. Whether you are participating in our Early Childhood Program, Extended Day or FLEX, Youth Enrichment Classes, a Youth Recreation Activity, Adult & Senior Programs, renting a facility, volunteering, or collaborating with us in any capacity, we look forward to connecting with you. Our building bond referendum will provide us an opportunity to re-shape and expand our programming and services to the community and we hope for your continued participation to guide us.

There is no way around it, winter is on its way. The entire Community Services & Recreation team hopes you stay engaged, warm, and connected by participating in any of our lifelong learning and enrichment opportunities. See you soon!

-Tim Maurer, Director of Community Services & Recreation

"The Lion's Binding Oath" by Ahmed Ismail Yusuf

"The Lion's Binding Oath", a collection of short stories, introduces readers to the people of Somalia and their struggles: their humanity, faith, identity, friendship, and family bonds, as whispers of war grow louder around them. Through stories that span the years before and during Somali's civil war, Yusuf weaves together Somalia's political, social, and religious conflicts with portrayals of the country's love of poetry, music, and soccer.

"Beloved Child" by Diane Wilson

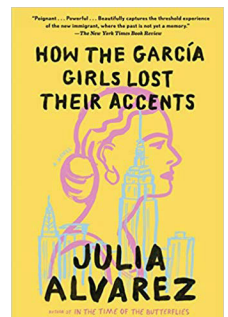

Among the Dakota, the Beloved Child ceremony marked the special, tender affection that parents felt toward a child whose life had been threatened. In this moving book, the author explores the work of several modern Dakota people who are continuing this tradition; to believe in the "genius and brilliance" of Dakota culture as a way of surviving historical trauma.

Dance for Life Wellness Program

Instructor: Heart of Dance

Strengthen your brain, balance and body - and have a blast doing it! Studies have shown that partner dance, more than any other physical or cognitive activity studied, can delay the onset of dementia by up to 75%. Consistency is the key! This 10 week, twice per week wellness program will improve your mood and your fitness level. It's a great way to stay in shape, improve balance to prevent falls, and to meet new friends. Escape cabin fever and swing into spring with the Dance for Life wellness program! No partner necessary - singles and couples welcome. No special clothes or shoes required.

Enjoy 20 afternoons of cutting the rug! One hour of formal instruction followed by 30 minutes of open dance/practice, twice a week.

Final class, April 15, is from 6:00 - 7:00pm followed by a dessert and coffee reception. Please invite friends and family to celebrate.

Early Childhood Program

Programs and Activities for Parents/Guardians and their Infant, Toddler and Preschool Children

SITES: Birch Lake Elementary, Hugo Elementary, Normandy Park Education Center, and Tamarack Nature Center

Early Childhood Family Education

ECFE offers classes for parents and their children ages birth to five years of age (before kindergarten).

- » Programs are designed for parents and their infants, toddlers, and preschool-age children
- » Classes help strengthen family relationships and provide information and resources to parents
- » Programs strive to build a strong foundation for families by forming a partnership between home and school
- » Opportunities for families are offered throughout the year including:
 - » Special parent-child and family classes, activities and events
 - » Guest speaker and parent workshops
 - » Home visits

Early Childhood Family Education

ECFE classes include three components:

- **Parent-Child Interaction:** You and your child spend time together enjoying activities designed to enhance learning. You will leave with new ideas for things to do together at home.
- **Parent Education:** Meet with other parents and caregivers and a licensed ECFE teacher to discuss topics such as development, temperament, discipline, and getting ready for school. The parenting group time takes place in a separate room or in a designated area of the children's classroom for non-separating classes.
- **Children's Classroom:** While you and other parents participate in parent education, children learn through play in a classroom with early childhood staff. Children will enjoy music, art, stories, large and small motor activities as they interact with other children.

Please reference class options, age requirements, and brief class descriptions at www.whitebear.ce.eleyo.com.

Session 1: Winter Wonderland

Come join us as we explore the winter season, both inside and outside! We will learn all about snow, paint with ice, explore the nature path in winter and paint the snow. On our last day with parents, we will make a blizzard in a bottle to take home! Be sure to bring your winter gear for outdoor play.

\$45 / Thu, Jan 16, 23, 30 / 9:00 - 11am

Session 2: Let's Get Messy!

Do you have a little one that loves to explore with their senses and get a little messy? Come explore our classroom and use all your senses to enjoy messy play. Children will have the opportunity to explore sensory activities in the classroom and make their own scented playdough to take home. Be sure to wear clothes that can get messy!

\$45 / Thu, Feb 13, 27, Mar 5 / 9:00 - 11am

Session 3: Seeds & Sprouts

Let's get ready for spring and start planting! During this session, children will learn about the changes in nature during the spring season. We will dig in the dirt, create a garden mural with friends, explore and discover the spring growth outside and plant a tiny garden to grow at home!

\$45 / Thu, Mar 26 - Apr 2, 9 / 9:00 - 11am

Session 4: Wet & Wild Water Play

Come have some fun exploring water play both indoors and outdoors! During this last session for the school year, we will be splashing in our sensory table, painting with watercolors, conducting sink or float experiments and make a toy boat to take home. Be ready to get a little wet and have some fun!

Program Information

Extended Day is an out-of-school time program designed to meet the needs of busy families and active kids. We create an environment that compliments the school day, encourages social and emotional growth and emphasizes student creativity, healthy choices, teamwork and service to the community.

Youth in the program are actively engaged in a structured environment to expand and develop skills during their out-of-school time hours. Flexible scheduling, including consistent and drop-in contract options, are available.

The program is youth-focused and choice-based, giving students the opportunity to develop social skills and positive relationships with peers, increase literacy and math skills, and participate in individual and group activities. Daily program activities are varied and diverse, and include fitness, service projects, creative play, literacy, science, and much more. Off-site field trips and special events take place throughout the year.

Every child has special and unique needs. We work closely with families to create an atmosphere that encourages growth. The partnership between parents, child, school and staff is key to our success. To ensure quality and compliance our staff/student ratio is 1:15.

Pre-registration is required for all participants, with a required minimum of five business days between online registration and first day in the program.

Driver's Education: A+ Driving School

A+ Driving School

Students may start classroom driving lessons at age 14, take the Knowledge Test and obtain their Instruction Permit at age 15, and take the Road Test and obtain their Provisional License at age 16. To be eligible to take the Road Test, students must have had their Instruction Permit for a minimum of six months.

The Driver's Ed Program is divided into two phases:

Classroom Phase: This phase includes the required 30 hours of classroom instruction that prepares the student to take the Minnesota permit test and to take on the responsibility of driving.

Behind-the-Wheel Phase: After students pass the permit test, they are required to complete six hours of driving lessons. The lessons are provided in three, two-hour lessons. The lessons are one-on-one instruction with instructors licensed through the MN Dept. of Public Safety.

Parent Involvement: A+ Driving School is proud to offer parent informational meetings in White Bear Lake. This is open to ANYONE at any stage of the licensing process. It is an enjoyable 90 minute meeting that will cover the following information and make your student the safest driver possible.

Attending this class will meet the requirement to REDUCE the number of hours that students need to drive with a parent from 50 to 40 hours.

Can't make every lesson? If you miss a lesson, you are responsible for making up that exact lesson number. You can attend any A+ classroom or any community education program to make up a missed lesson. Please EMAIL the office the day before so we can add the student to the attendance roster.

Fees include classroom instruction, materials and 6 hours of behind-the-wheel training. Permit and road exam fees are not included. Payment plans available.

MN Swordplay Fencing (Ages 5+)

Instructor: Maria Benford

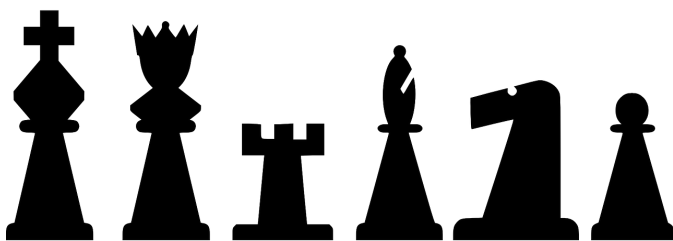

Whatever you are looking for in the sport of fencing, there is something for everyone! Fencing is a vigorous sport that develops stamina, quick reactions, speed, accuracy of movement and excellent coordination. More than a game, fencing requires a mental attitude of self-discipline involving total manipulation of mind and body in perfect harmony. It utilizes natural body movement to create simple and effective self-protection techniques with the sword. All participants are encouraged to have fun no matter what their ability. Attacking, defense, timing and intense tactics are all integrated into this beginning class. Whether you're fencing for a good work out, or gaining points for the Olympics, fencing is fun for the whole family. We provide everything needed to fence (mask, jacket, glove, and weapon). Fencers need only to come dressed comfortably (for freedom of movement) including long sweat pants and running shoes.

Child & Babysitting Safety Class

GRADES 3-5 / Instructor: Kari Fairclough

The Child and Babysitting Safety (CABS) program from the American Safety and Health Institute gives everything you need to know for safe and successful babysitting. The YouTube "vlogger" style presentation of the video brings a youthful and high-energy spirit to the program content, and the colorful magazine format of the student book makes learning fun. From getting started with your business, to working with parents and children, to key safety, caregiving, and first aid tips, CABS will help set you up for babysitting success. Students must be present for the entire class and complete achievement of the core learning objectives to receive certification valid for two years. Instructor provides baby dolls, bottles, and diaper supplies for skills participation.

Students attend this class independently. Parents are encouraged to review the take home information and discuss it with their child.

Hmong and Asian American Cultural Liaison

Nirvana Yang

Office: (651) 407-7623
nirvana.yang@isd624.org

Nyob Zoo (Hello), my name is Nirvana Yang and I am honored to be the Hmong and Asian American Cultural Liaison for the White Bear Lake Area School district. As an alumni of a college prep program for first generation students coming from low-income families, I understand difficulties students face while applying to colleges. I want to connect with families who need the additional support, as well as create programs to help students feel welcome to their school.

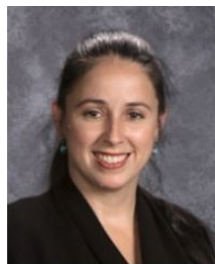

Early Childhood Hmong Cultural Liaison

Chente Xiong

(651) 653-3157
chente.xiong@isd624.org

Nyob Zoo! My name is Chente Xiong and I came here as a refugee from Laos. I've worked many jobs since I arrived here, but have always found my way back to helping those in need, especially families. I am a huge advocate in providing resources and building cohesive relationships with those who come into my care. I enjoy working with communities of color and believe that diversity is equity.

Enlace Cultural Español

Office: (651) 407-7625
briana.santoscoy@isd624.org

Saludos a todos. Mi nombre es Briana Santoscoy. En mi rol de Enlace Cultural con el distrito escolar de WBL y las familias y los estudiantes Latinos, estoy enfocada en el acceso justo y equitativo de información para nuestras familias, en el apoyo para los estudiantes Latinos, y en aumentar la capacidad de las escuelas a saber colaborar con nuestra comunidad. Trabajé casi diez años en las escuelas públicas de Minneapolis, donde vivo con mi esposo y nuestros tres hijos. Si usted tiene preguntas o ideas relacionadas con la escuela o el progreso de su estudiante, o si usted está buscando recursos para su familia, favor de llamarme.

Early Childhood Latino Cultural Liaison

Amy Ottaviani

(651) 653-3157
amy.ottaviani@isd624.org

Saludos! My name is Amy Ottaviani and this is my 7th year working as a Cultural Liaison with WBLAS Early Childhood Programs, serving our youngest learners and their families. I primarily work as an advocate for Latino students and families, but I also work as a School Readiness Teacher with preschoolers and parents from many cultures in our Family Literacy/Adult ESL class at Normandy Park. In these roles, I will continue to help families understand and navigate the school system, encourage family engagement, connect students and families with any needed community resources, and be a support for early childhood staff.

My name is Miles Webb and I am extremely happy and excited to work in the White Bear Lake Community as the African-American Cultural Liaison. I spent the last ten years working in the St. Paul Public Schools, first as a special education TA, then as a Behavior Specialist at Bruce Vento Elementary school. I have a Bachelor's degree in Psychology from Concordia University-St. Paul and I am currently enrolled in a masters program at St. Mary's University. I live in Hudson, Wisconsin with my wife and four children.

Youth Enrichment Procedure

CHECK IN FOR ENRICHMENT CLASSES

All students must check in with the Extended Day Staff. Students will be given a snack before their class.

At the end of class, students will be escorted to the main doors of the building (Otter students will be brought to Door O). Parents should wait at the building entrance for the students.

REGISTRATION PROCEDURE

Online registration for youth classes will close 48 hours prior to the first day of class. Any registrations after this deadline must be delivered to the Community Services office or called in, and will result in missing the first day of class. There are no prorated fees.

Refunds & Prorating

Notify Community Services & Recreation immediately if you need to withdraw from a class.

Full refunds or credits are given if a class is canceled. Refunds are not issued after a class has begun. There are no prorated fees.

To receive a refund, minus a processing fee, you must withdraw from an activity **at least 3 business days prior to the first day of the activity**.

Processing fees for classes:

- » under \$50 have a \$5 fee
- » \$50-\$149 have a \$10 fee
- » \$150-\$399 have a \$20 fee
- » \$400+ have a \$30 fee

Class Confirmation

An automatic email confirmation will be sent to you upon registration. Community Services & Recreation will contact you by telephone or email if there is a change.

Please list a daytime telephone number so Community Services can reach you if a class is canceled at the last minute. Community Services & Recreation assumes no responsibility for reaching those who do not provide a daytime telephone number.

Fee Assistance

Community Services & Recreation strives to make each activity, class, program and service high in value and quality. If your financial circumstances prohibit you from signing up, please call to arrange a payment plan or to inquire about fee assistance.

UCare Discount

UCare members may be eligible for a \$15 discount on most classes in this catalog. If a class is less than \$15, the member may take the class free of charge. UCare for senior members are limited to three \$15 discount per year. Members must be on UCare at the time of registration, and during the class(es).

UCare members must call or mail-in registration to receive a discount. Members need to include their UCare ID number when registering. This discount cannot be used for the following classes: Private lessons, alcohol-related activities, high-risk activities (skydiving, rock climbing, etc.), and gambling trips.

Do You Have a Disability?

Do not let it be a barrier to enjoying the wide variety of class offerings in this catalog. Please call to discuss accommodations.

Liability Waiver

There is an inherent risk of accident or injury in any activity. It is the responsibility of the participant or the parent of the participant to be aware that there are assumed risks in participation. ISD 624 assumes no responsibility for injuries received during activities. Any changes in a participant's activity level should be done under approval and direction of their physician and/or healthcare provider(s).

Questions?

If you have questions about anything contained in this catalog, please call the Community Services and Recreation Department's general telephone number (651) 407-7501.

Help us give you the best programming we can! Programs can fill in advance or may be canceled due to low enrollment. Registering early is the best way to secure a spot!

From the Superintendent: Giving Thanks

In this season of appreciation, there is much for which to be thankful.

At the top of the list is an appreciation to the community for approving the district's bond referendum request with 57.4% yes votes in early November. With this vote of confidence and support in our schools, our staff and our students, we can now begin planning to Build Our Future!

The bond funds will be used to address projected enrollment growth throughout the district; provide safe, secure and healthy learning environments for all students through investments in our aging facilities and infrastructure; increase opportunities for students by creating a single unified grades 9-12 high school; and create flexibly-designed learning spaces to support student-centered instruction. We have a lot of planning ahead of us for the construction projects that will be taking place throughout the district, and we will soon be sharing out information about what the engaged process will look like moving forward.

Also on the docket for appreciation is the level of individual support shown to our schools, programs, staff members and students by individual community members. Sometimes the support is calendar-specific, with community members recently being welcomed into the schools to speak to students about Veteran's Day, for instance.

STUDENT GROWTH & PROFICIENCY

Minnesota Comprehensive Assessments (MCA)

Student proficiency is measured by the Minnesota Comprehensive Assessment (MCA) tests, Minnesota's state requirement for testing under the Federal Every Student Succeeds Act (ESSA).

White Bear students have a higher rate of proficiency in reading and mathematics than students across the state of Minnesota. Additionally, as they progress from one grade to the next, White Bear students show a greater rate of proficiency increase than students across the state.

- » **Reading** - 65.2% of White Bear students met or exceeded grade-level proficiency in Reading in 2019 based on the Minnesota Comprehensive Assessment. This is compared to 59.6% of students across the state. 70.8% of White Bear students maintained or improved their level of Reading achievement from 2018 to 2019 as compared to 67.0% of students across the state
- » **Mathematics** - 63.0% of White Bear students met or exceeded grade-level proficiency in Mathematics in 2019 based on the Minnesota Comprehensive Assessment. This is compared to 55.4% of students across the state. 68.5% of White Bear students maintained or improved their level of Mathematics achievement from 2018 to 2019 as compared to 62.7% of students across the state.

2018-19 WBLAS MCA COMPARISON TO STATE AVERAGES			
	State	WBLAS	WBLAS % above state
Reading	59.6%	65.2%	+5.6%
Mathematics	55.4%	63.0%	+7.6%

Early Childhood

More than 850 students are nurtured and develop a love of learning through our WBLAS Early Childhood programs. All of the District's preschools have a Parent Aware rating of four stars, the highest possible rating. Teachers assess the growth of children and take appropriate measures to ensure they are kindergarten-ready.

Elementary

Students at our nine elementary schools are assessed by teachers using a range of grade-appropriate assessments in reading, math and science to measure progress toward local and state standards. Student proficiency is measured using MCA assessments. Instructional support is personalized so students who test below grade level receive extra intervention and support, and students who already exceed standards are challenged through our comprehensive Gifted and Talented program.

Middle School

Students at Central and Sunrise Park Middle Schools take the Minnesota Comprehensive Assessment (MCA). Teachers and counselors use these assessments along with other data to help students select courses. Intervention support is provided for students who test below grade level. Accelerated and enriched class options ensure each student is challenged.

High School

High school teachers assess students through common assessments in each subject. Nationally-normed assessments include the PreACT offered to tenth graders in the fall and the PSAT and ACT offered to eleventh graders. Counselors and teachers use these data, along with an understanding of student motivation and goals, to help students select from more than 250 course offerings, including more than 51 college-level courses and five career pathways areas.

National Blue Ribbon School recognition

In September, Lincoln Elementary was named as one of 362 schools throughout the country to be named as National Blue Ribbon Schools for 2019. Lincoln was recognized as an Exemplary High Performing School, being among Minnesota's highest performing schools as measured by state assessments or nationally normed tests. Only ten schools in Minnesota are being recognized in the program this year.

HIGH EXPECTATIONS & ENRICHMENT

81% Responding to the challenge

An increasing range of college-level courses, plus an initiative encouraging students to understand the importance of college-level work at the high school, has raised the percentage of high school seniors taking a college-level course during their high school career. For the class of 2019, 81% of seniors have taken one or more college-level courses, up from 54% for the class of 2016.

443 out of 633 students in the class of 2018 took at least one college-level course during high school. This includes Advanced Placement, College in the Schools, Project Lead the Way, and Post-Secondary Enrollment Options.

51

Colleges and Universities on campus

During the 2018-19 school year, 51 college level courses were offered at White Bear Lake Area High School: 21 Advanced Placement (AP) classes, 26 College in the School (CIS/CitHS) courses, and 4 Project Lead the Way (PLTW) courses. Students also took advantage of Post-Secondary Enrollment Options (PSEO).

The following numbers of White Bear Lake Area Schools students took college-level courses during the 2018-19 school year:

697 students took Advanced Placement (AP) classes

525 students took College in the Schools CIS/CitHS classes

103 students took Project Lead the Way (PLTW) classes

WBLAS continues to be a recognized leader for developing Career Pathways aligned to workforce needs.

- » A Manufacturing Pathway made possible in part due to a \$250,000 grant received from United Way.
- » A Construction Trades pathway with strong support from trade unions.
- » An IT pathway in conjunction with Century College and area businesses.
- » A Healthcare pathway featuring concurrent enrollment coursework for credentials as a certified nursing assistant (CNA).
- » An Automotive Pathway was recently added to the list of opportunities available to White Bear students.

Student Support Services

White Bear Lake Area Schools have high expectations for all students and offer a continuum of specialized instruction for students with special needs. Our programs are individualized and comprehensive.

AVID

WBLAHS began implementation of the Advancement Via Individual Determination (AVID) program in the fall of 2010. The program offers rigorous instruction to students in the academic middle who have the individual determination to prepare for a four year college. In AVID classes, students collaborate, engage in inquiry, and learn college-level reading, writing and study strategies.

International Baccalaureate

Matoska International IB World School, an elementary option for all families since 2010, received re-authorization in January of 2015.

FINANCE

Financial management

To help the District meet its educational goals, White Bear Lake Area Schools remain committed to fiscal responsibility to ensure that maximum resources reach our classrooms.

Stewardship:

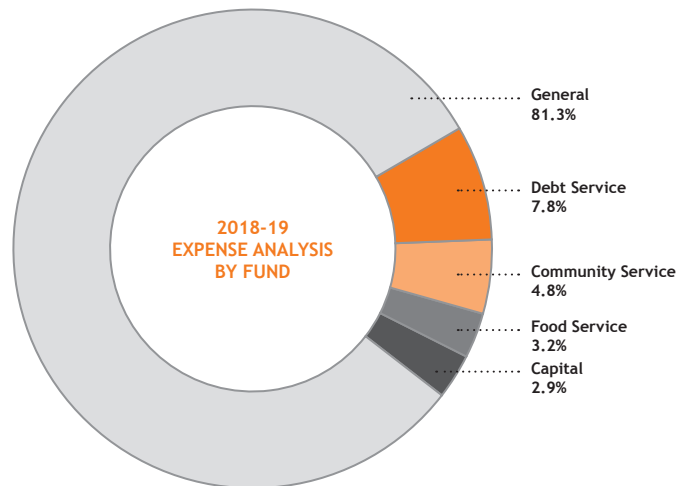

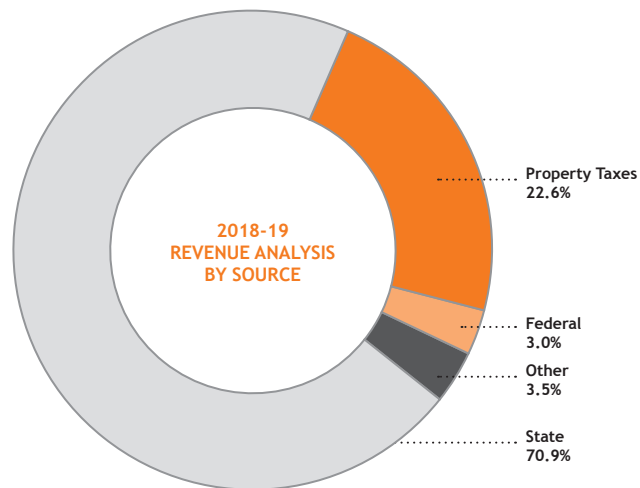

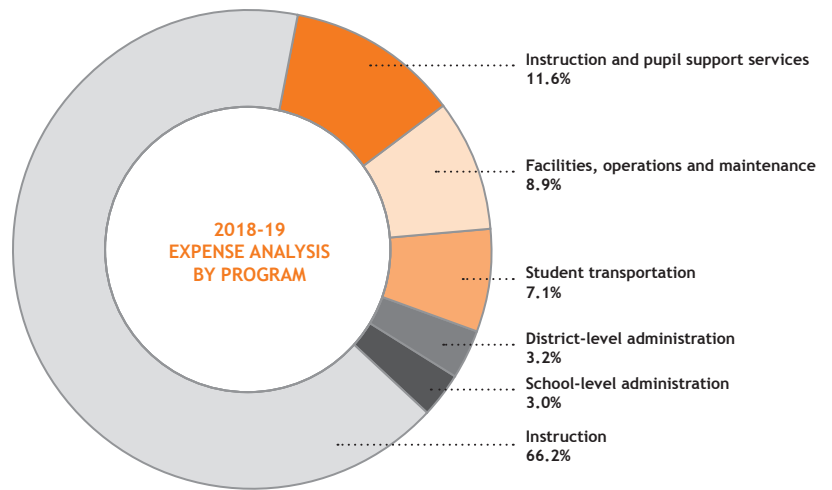

White Bear Lake Area Schools continues to demonstrate strong stewardship to our communities.

- » We have been recognized for excellence in financial reporting by the Association of School Business Officials and Government Finance Officers Association for 19 consecutive years.
- » The district has a AA bond rating, which we have received from Standard and Poor's every year the district has applied since 2010.
- » In November of 2019, area residents voted on the District's \$326 million bond referendum, with 57.4% in support of the question.

The district has a

Other examples happen on an ongoing basis. Each week throughout the school year, Reading Buddies volunteers come into our schools to read with our students. And every year, our parent volunteers are working diligently to raise funds for specific school initiatives - and to raise "fun" for students through school carnivals, fun runs and rollerskating nights to name a few. We appreciate the time and energy these individuals give in order to enrich our students' experiences.

Many thanks to the community organizations and businesses that also play a role in supporting our students, whether it is through the Lion's Club donating dictionaries, Donatelli's offering a "Take-over Experience" to our Willow Lane Elementary fifth graders, or Cup and Cone offering orange ice cream treats. This list is just a sampling of the level of support shown to our school community by organizations and local businesses, and the efforts are always humbling.

Another organization, the White Bear Lake Area Educational Foundation, specifically supports the school district through grants, scholarships and support of initiatives. With the change of seasons, an important Foundation initiative that is especially relevant these days is The Closet, a resource for district families in need that provides anything that can be worn from head to toe. The Foundation is currently accepting donations of new and like new winter items in various sizes, including coats and boots. Thank you to those who have been able to support the school community by helping our students and families in this important way.

Terrific things, worthy of celebration, are happening at each of our buildings. Thank you to our entire community for your support of all of our students - from our earliest Early Childhood classrooms to our special education students transitioning out of high school.

Your support is something for which we are grateful at all times of the year, but the feeling is especially strong this fall. Thank you.

Dr. Wayne A. Kazmierczak, Superintendent of White Bear Lake Area Schools

Teacher of the Year Nomination Process

It takes just one inspirational person to positively impact a life forever. The educators of White Bear Lake Area Schools teach by extraordinary example - they allow students to not only follow their dreams but give them the skills necessary to become the role models of the future.

Our district has a rich heritage of exceptional teachers who reach out to help others every day, and the White Bear Lake Area Teachers' Association Teacher of the Year program is just one way to recognize the efforts of those who devote their time, talents, and energy to making a positive difference in our community.

Please consider nominating an educator who will represent all of the dedicated teachers in our district and participate in the Minnesota Teacher of the Year Program.

The nomination form is available on the district's website, www.isd624.org. Nominations are due by 4 p.m. on Jan. 10, 2020.

Welcome to White Bear

While all are welcome to visit our schools at any time, there will be special opportunities in January for families to learn more about our schools!

Early Childhood - Preschool Registration opens at 8:30 a.m. on Jan. 21

Elementary - Welcome to White Bear Week: Jan. 6-10

Middle School - Parent Info Night: 7 p.m. on Jan. 9 at both middle schools

High School

Parent Information Nights:

6 p.m. Jan. 7 at WBLAHS-North Campus (incoming grades 9 & 10)

7 p.m. Jan. 9 at WBLAHS-South Campus (incoming grades 11 & 12)

Additional information available at www.isd624.org/Welcome

Equity Commitment

A committee of 30 stakeholders developed the district's Equity Commitment:

To nurture the whole student, we disrupt systemic inequities by recognizing, honoring, and embracing all cultures with humility and respect.

At that time, a 4-Way Equity Decision Making Protocol was adopted. This protocol will be utilized by district, building and site leaders moving forward.

Early Childhood Screening -Screen at 3

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten.

The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 REASONS TO SCREEN AT 3:

- Screening can ensure school success
- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Register online at <https://whitebear.ce.eleyo.com> or 651-653-3100

Early Childhood Screening takes place at:
Normandy Park Education Center
2482 East County Road F, White Bear Lake, MN 55110

4-Way Equity Decision Making Protocol

- 1 How does this help to provide opportunities to students who have been marginalized within the system in the past?
- 2 How does this help to ensure equitable access for all?
- 3 How does this help to eliminate barriers based on race/ethnicity, gender, disability, age, or other protected groups?
- 4 How does this ensure that the same rigorous standards for academic performance exist for all students?

Lincoln Elementary Recognized as Blue Ribbon School

In September, Lincoln Elementary was named as one of 362 schools throughout the country to be named as National Blue Ribbon Schools for 2019. The recognition is based on a school's overall academic performance or progress in closing achievement gaps among student subgroups. Only ten schools in Minnesota are being recognized in the program this year.

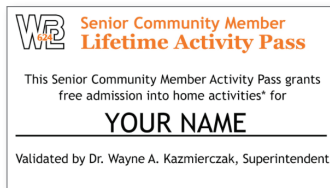

The award affirms the hard work put in to creating safe and welcoming schools where students master challenging and engaging content. Lincoln was recognized as an Exemplary High Performing School as being among Minnesota's highest performing schools as measured by state assessments or nationally normed tests.

Lincoln Elementary was celebrated along with other honorees at an awards ceremony in Washington, D.C. earlier this fall. This spring, the school community will host a more formal Blue Ribbon celebration at the school to thank those, past and present, who positively impacted students within the learning community.

FREE Senior Activity Pass

More than 300 Senior community members (age 65+) who live in the District participate in the Senior Activities Pass program and enjoy complimentary admission to school activities.

Those who wish to apply for the Activity Pass may pick up an application at District Center (4855 Bloom Avenue, White Bear Lake) or the Senior Center (2484 East Cty Rd F, White Bear Lake).
