

OAK HALL SCHOOL

SCHOLARSHIP · LEADERSHIP · SERVICE

Dear Prospective Oak Hall Family,

Welcome to Oak Hall Lower School! Thank you very much for taking the time to get to know our school as you make this important decision for your child. It has been my sincere pleasure and honor to be a part of such an accomplished school community for the past twenty-five years. Oak Hall Lower School is committed to our mission of being *a welcoming, diverse, and supportive learning community empowering students to pursue their academic, artistic, and athletic passions.*

Oak Hall has served the community for nearly fifty years and remains committed to providing all of our students with the best experience possible. All members of our faculty are engaged in continuous professional development as we strive to deliver high-quality, student-centered, joyful learning experiences in all of our classrooms.

Our students have not only done well academically but have excelled in the various enrichment programming that we offer. They participate in our excellent athletic programs and enjoy opportunities to develop their visual and performing arts skills. We seek to provide a place where our students can grow academically and socially in a caring and challenging environment. This commitment to growth and exploration is also evident in our extended care program, which offers diverse enrichment opportunities.

As you tour our campus, we will be happy to answer questions that you may have. You may also want to visit our website at www.oakhall.org for more information about our school. As with many parents who have come and visited Oak Hall School, we are confident that you, too, will feel the warm Eagle spirit as you walk throughout our campus.

I look forward to meeting you, and please do not hesitate to contact me with any questions.

Sincerely,

Michelle D. Mills
Director of Lower School
