

OAK HALL SCHOOL

SCHOLARSHIP · LEADERSHIP · SERVICE

Dear Prospective Oak Hall Family,

It is my pleasure to invite you to explore all we offer our students, families, faculty, staff, and community at Oak Hall Middle School. The 2019-2020 school year marks Oak Hall's 49th year, and it is our hope you will experience a taste of this longstanding and rich history as you tour our school, participate in shadow days, attend academic, artistic, and athletic events, and talk with members of our Oak Hall community.

At Oak Hall Middle School, we are proud to offer a rich college preparatory curriculum where learning is dynamic and interactive. We seek to nurture the mind, body, and spirit through a balanced array of offerings and activities in academics, the arts, and athletics. Through our extensive curricular and co-curricular options, students become leaders, explorers, artists, musicians, and researchers learning the skills necessary to take intellectual, social, and emotional risks within a safe and supportive learning community. Upon completion of 8th grade, our students leave Middle School prepared to take on the challenging academic program in Oak Hall Upper School. In everything we do, we maintain our aim to develop the whole child through emphasis on a liberal arts education, social-emotional growth, character development, leadership opportunities, and exploration.

Every day, we seek to live our mission to be *a welcoming, diverse, and supportive learning community empowering students to pursue their academic, artistic, and athletic passions*. As we work diligently toward this end and joyfully embrace another full year of challenge, celebration, and growth together, we invite you to join us on this adventure!

Please do not hesitate to reach out to me with any questions. I look forward to meeting you!

Sincerely,

Diana D. Murdock, Ph.D.
