STATEMENT OF DISCIPLINE

Oak Hall is a member of the National Association for College Admission Counseling, and as such, supports the Statement of Principles of Good Practice: NACAC's "Code of Ethics and Professional Practices." Accordingly, the school will provide colleges to which a student has applied whatever information the College Counseling Office believes is appropriate and/or is requested concerning that student. This also applies to any change in status between the time of application and graduation. It includes, but is not restricted to, a major drop in grades, honor violations, probation, suspension, dismissal, and expulsion.

PROGRAM OF STUDY

The school year is divided into two semesters. Examinations are administered at the end of each semester. Students are required to enroll in and satisfactorily complete six credit courses each year (including four academic classes). Juniors and seniors may take five credit courses if all of them are AP courses. All students must earn 24 credits for graduation.

SPECIAL CURRICULUM FEATURES

All seniors are required to complete a 40-hour off-campus Senior Project with either a vocational or community service focus and to complete 10 hours of approved community service for each year of their Upper School enrollment.

Established in 2010, the Arts Conservatory Program (ACP) allows students to concentrate in theater, music, or visual arts. The ACP is designed to enhance students' problem-solving skills, global/cultural awareness, and critical thinking skills through intensive creative study. Entrance is by audition or portfolio; upon graduation, students earn special designation on their diplomas and transcripts.

Qualified juniors and seniors may apply to take courses offered through UF Online Dual Enrollment. Courses taken through UF's Online Dual Enrollment program cannot be used to satisfy Oak Hall's core curriculum graduation requirements. Students should take no more than two dual enrollment courses per year, and grades earned in these courses will not be computed into Oak Hall's grade point average. Students must formally apply for admission through UF. All UF Online Dual Enrollment courses will be listed on a student's transcript.

The Oak Hall Innovation Program is a non-traditional class that allows students who are interested in business, marketing, technology, and design to engage in a hands-on curriculum which aims to inspire collaboration, creative thinking, professionalism, inquisitiveness, leadership, and responsibility. Through the program, students will be exposed to "maker skills" and will sit for guest lectures presented by entrepreneurs and community leaders from the Co.Accelerator program, a local Gainesville company that serves as a start-up incubator.

GRADING, GRADE POINT AVERAGE, RANK IN CLASS, AND HONOR ROLL COMPUTATION

Oak Hall School reports cumulative grade point averages on a traditional 4.0 scale. GPAs include grades in all classes taken at Oak Hall beginning in Grade 9, excluding PE courses. Grades earned in Honors and Pre-AP courses are weighted 0.5. The following grades are weighted 1.0: AP classes, Advanced English Seminar and Classics courses, and Arts Conservatory Program courses (ACP) taken within a student's designated concentration (theatre/music/visual arts) as a junior or senior. Oak Hall does not calculate rank in class. Honor rolls are published at the end of each semester. To qualify for the Honor Roll, a student must have earned no grades below "B-". To qualify for the High Honor Roll, a student must have earned no grade below "A-". Each semester, students receive letter grades in all credit courses.

A = 100-90 Excellent D = 69-60 Poor
 B = 89-80 Very Good F = Below 60
 C = 79-70 Satisfactory
