PARENT/GUARDIAN:

I request and give permission for (name of student) _____, to receive the above medication(s)/treatment at school according to standard school district policy and for the physician or physician's staff and school district staff to share information needed to assist my child with medication needs. Schools require parent/guardian to bring medication in its original container (no exceptions will be made if not in original container). All medication must be labeled with the student's name, must be current and be approved by student's physician.

Date

Students with health/medical issues may be eligible for protection under Section 504, a federal disability law. Parents who wish to initiate a request for a 504 evaluation should contact the office of the student's counselor or building principal.

STEPS TO TAKE DURING AN ASTHMATIC EPISODE:

DIRECTIONS FOR INHALER USE:

1. Allow the student to use his/her medication or be assisted by school personnel.
2. Student should respond to treatment in 15 to 20 minutes.
3. Encourage student's relaxation (e.g. slow breathing, deep breathing, purse lip breathing)
4. Notify parent/guardian if: _____

5. Call for Emergency Medical Care (**911**) if student has **any** of the following:
 - a. Constant Cough
 - b. No improvement 15-20 minutes after initial treatment with medication and/or relative cannot be reached
 - c. Any struggling or gasping to breath
 - d. Trouble walking or talking
 - e. Lips or fingernails are gray or blue
6. Notify parent/guardian if inhaler is administered.

Bus Information to be completed by Parent/Guardian:

Medication is to be available on the bus: Please circle YES NO

If Medication **IS** to be available on the bus, I _____, parent/guardian of _____ understand that I must provide an extra medication to be carried to and from school in the front pocket of the backpack. Transportation will be notified.
