## **From the Principal**

Please read the schedule for Dec 20, 2019:

- 10:15-10:45 Classroom parties
  - If you are not assisting with the party please do not come into the building until 10:10a.
- Early dismissal lunch schedule:
  - Please don't plan on coming for lunch this day, early dismissal lunch schedule seating is challenging. Anyway, you will have them for lunch for many days over the holiday.

We are getting close to the end of our first semester. Please check the Skyward system, and with your child's teacher, to make sure your child's work has been completed. Grades will be posted on January 6<sup>th</sup>.

End of the semester assessments have started, and we will review the data to make adjustments in our teaching and student learning. The information we obtain from assessment results is very important for us to make sure we are providing each student with instruction that is meaningful and effective. Please encourage your child to do his or her best by making sure they get a good night's sleep, eat a good breakfast and are at school on time.

Thank you for the great participation in our school activities and for volunteering this semester. We have a wonderful, supportive community, and I wouldn't want to be anywhere else. Please continue to let me know when you or someone in our school community is in need of assistance; we are a family, and we take care of one another.

**During winter break, your students will leave their iPads at school.** We need them to be fully charged, and they will be locked in a secure location. Grades will be completed, and the chance of damage or loss during the holidays is much greater.

Have a safe and happy holiday!

**Mrs. Morgan**

**Thank you to all our families who participated in the We Care, I Can Food drive benefitting the Johnson County Christmas Bureau!**

**We collected approximately 450 items!**

**Student Council members who helped pack boxes are: Delaney Fescue, Daniel Conrady and Chloe Swan**

**Two steps are now required to complete the MVP process:**

**1)** Attend an in-person training-

Please visit <https://www.smsd.org/families/volunteer-mvp> for currently scheduled sessions.

**2)** Visit Validity Screening to complete the online background screening process. This information will be provided at the training.

**Thank you for completing the MVP process and volunteering at Oak Park-Carpenter!**

**\*\*MVP process must be completed before attending ANY field trip\*\***

**Thank you, PTA, for your generous support of field trips!**

This monetary support enables Oak Park-Carpenter students to experience enhancement of their education through visits to museums and living history sites, science and social studies programs, and live theater and musical performances. Without the PTA's support, many of these field trips would not be possible. **Thank you to all PTA members!**

## Parents,

You do not have permission to come into the school or onto school property and take pictures of any child except your own, unless it is used for our yearbook.

**Please DO NOT Post or Share Pictures of Our Students on any Website or on ANY Social Media**

### REMINDER ABOUT ATTENDANCE REPORTING GUIDELINES

Parents, if your child is going to be late or absent, please call the 24/7 attendance hotline: the number is (913) 993-4188. Please try to do this by 8:30 a.m. the morning of the absence. Please note that the nurse does not do attendance or receive these messages. If you need to discuss a specific issue with her, first report the absence to the hotline, then call the nurse directly at (913) 993-4102. Alerting the teacher is appreciated, however we also require that you report the absence to the hotline. Thank you for your diligence in this matter. The safety and accountability for your children are of the utmost importance to us.

### District Policy on *Returned Checks*

The district has a returned check policy that began June 1, 2007. **All returned checks are processed by a collection agency and a \$30 fee is assessed for each returned item to cover the cost of these services.** This is in addition to any charges assessed by your bank. Since the charge is being assessed by the agency for their service, the charge cannot be waived. You may want to ask your local bank about overdraft protection services.

### A Request from the Office & Cashier-

**Please** make a note of your **child's name, grade level, and teacher** on ALL CHECKS BEING SENT TO THE SCHOOL. Thank you!

### SKYWARD ONLINE VERIFICATION

Please complete your child's Skyward Online Verification. If you have not given permission for your child's photo release, they will not be able to appear in our yearbook. Please call the office at 913-993-4100 if you need any help with the Skyward Online Verification process. Thank you!

# OAK PARK - CARPENTER BIRTHDAY BOOK CLUB

Celebrate your child's birthday by joining the OPC Birthday Book Club and donate a book to the school library in his or her name! Each child who participates will have his/her name and birthdate on a bookplate inside the front cover of the donated book. He or she will also be recognized in the morning announcements and will receive a birthday goodie bag from Mrs. Smith! Finally, we will take a picture of your child holding the donated library book to share with you!

Is it too early or too late for this year's birthday? Don't worry: your child can be honored at any time during the school year!

To participate, please return this form (extra forms in the office) with your donation of \$15 or greater to the OPC office.

## **FOOD SERVICE....Did you know.....**

**Did you know ways to keep you and your family healthy during the holiday season?** Please follow these 4 basic food safety steps to reduce the risk of foodborne illness: Clean, Separate, Cook, and Chill.

### **Clean**

- Hand washing is one of the best ways to prevent the spread of foodborne illness. Remember to wash your hands with soap and water for 20 seconds before and after handling food.
- Wash all kitchen counters, dishes, and utensils with hot soapy water.

### **Separate**

- Prevent cross-contamination by keeping raw meat, poultry, seafood and eggs separate from all other foods.
- Designate one cutting board for fresh produce and another for raw meat, poultry, seafood, and eggs.
- Replace empty platters instead of adding fresh food to a dish that already had food on it.

### **Cook**

- Use a food thermometer to ensure your foods have been cooked to the proper minimum internal temperature.
- Keep food at 140° F or above after cooking.
- Microwave food thoroughly to 165° F.

### **Chill**

- Refrigerate perishable foods within 2 hours. Remember to store leftovers within 2 hours as well.
- Cooling food rapidly helps prevent bacterial growth. Large amounts of food should be divided into smaller containers before refrigerating.
- Know when to throw food out. When in doubt, throw it out.

Don't forget – if your child receives free or reduced meals, they are eligible for one breakfast and one lunch per day as part of this benefit. All breakfast and lunch meal choices are available for all students regardless of eligibility status.

**The school breakfast menus, lunch menus, and other nutrition information are available on the district's website at**

## December 2019 Nurse's Notes

### **Illness Exclusion Policies**

Per the Johnson County Health Department - Persons with a case of **influenza** should stay home for five days from the time the illness begins or until the individual is fever free for 24 hours without the aid of fever reducing medications, **whichever is longer**.

To protect your child and to prevent illness from spreading, keep your child home if ANY of these contagious symptoms are present:

- **Temperature of 100 degrees or higher**
- **Severe sore throat, headache, or cough**
- **Undiagnosed rash or skin lesions**
- **Diarrhea or vomiting**
- **Red or discharging eyes**
- **\*\*Students must be free of fever, vomiting, or diarrhea – WITHOUT MEDICINE - for 24 hours before returning to school.**

**Parents, please take this form to your child's next dental appointment. We encourage you to seek dental care for your child at least once a year. Thank you for your concern.**

**School Dental Health Form**

Student Section:

Student's Name: \_\_\_\_\_ Age: \_\_\_\_ Grade: \_\_\_\_\_

School: Oak Park-Carpenter Elementary City: \_\_\_\_\_

To students and parents: The purpose of requesting each student to have his/her teeth examined by the dentist at least once each year, or more often if the dentist so advises, is to discover dental defects and infection, if present, in the beginning. By doing this, treatment can be given with the least amount of discomfort to the student and at the lowest cost to the parent. Pain, sickness, and unnecessary loss of teeth resulting from dental diseases are thereby also prevented. You are therefore urged to take this form to your family dentist and have any necessary dental work done as soon as possible. When the dentist has signed the form, please return it to the school..

Date: 03/31/19  
RN, BSN

Teacher or School Nurse: *Julie Johnson,*

**Dentist Section: Please circle choice A or choice B**

A. I have examined the teeth of the above student and find no fillings, extractions, or cleaning needed..

B. I have completed the necessary dental work for this student.
