

TITAN UPDATE

NOVEMBER 2019

FAREWELL FALL SPORTS

Thank you for helping us *go pink* during the month of October! The Notre Dame Community certainly came together with a common goal of honoring the cancer fighters, survivors, and angels in our lives. We look forward to sharing our Riverside American Cancer Society donation total with you in the coming weeks!

IN THE NEWS

Notre Dame Student Services
**ACADEMIC PLANNING
SESSIONS**
Grades 9-11

Our Student Services Office is hosting academic planning sessions for Freshman, Sophomore, and Junior students this month! As always, our Counselors are available to help Senior students as they continue the college application process. *Please see the flyer below for academic planning session dates and times.*

The Notre Dame Theater Guild brings the play *A Midsummer Night's Dream* to the stage this month! Continue below to view the full flyer for dates and times.

From Mrs. Ashton

Dear Notre Dame Community,

As we begin November, it is a wonderful time to be grateful, thankful, and blessed to be a Titan! It is exciting to see the Notre Dame community lead during this time of giving. Many clubs and sports have united to give back or have donated to local heroes, cancer research, and our community members. If you follow us on social media, we highlight the extraordinary gratitude of our students, teachers, and staff has for others. As we work to serve our community better, we have made adjustments to our school calendar, which allows us to now have the entire week of Thanksgiving off! Enjoy this season of togetherness and the month of November. *Please note a few calendar updates for the remainder of the school year by viewing our community calendar below.*

Sincerely,

RaeAnna Ashton
 Interim Principal
