THE SUN RISES ON A NEW SCHOOL YEAR

The class of 2020 watched the sunrise on their final year as a Titan on August 16th for our first-ever *Senior Sunrise*! Father Paul led the hike up Mt. Rubidoux and shared a special prayer for our school and the graduating class. With the 2019–2020 school year now in full swing, we look forward to a year of blessings and accomplishments for our students.

From Mrs. Ashton

Dear Notre Dame Community,

It has been a great start to the school year, and we are looking ahead to fall fun sooner than later. Our students are settling in nicely in the classroom, in their extra-curricular activities, and the community. Our grade-level teams have the unique opportunity this school year to work cohesively to identify the needs of our students as we work to serve them best. We look forward to showcasing our students' achievements with you and with our community in the coming months. As we start this September, we are grateful for the upcoming community events and look forward to seeing you around.

Sincerely,

RaeAnna Ashton
Interim Principal
