

MDE Typing Club

Who: Interested 2nd through 5th Graders

What: Learn how to type on computer keyboards quickly and accurately

When: Friday Mornings before school at 7:30

Where: MDE Library

This semester, students who register for the club will get a Hall Pass specific to the club. The first 30 students who arrive to school can use their pass to come to the library on Fridays (see schedule on back) and participate. This allows for variations in your schedule, and opens more dates for students to practice typing.
