Upcoming Events

12/1	½ Day
12/23	Winter Break Begins
1/6	School Resumes
1/16	½ Day
1/17	½ Day

Thank You

Thank you to the families who have donated snacks for our snack cupboard! 😊

Reminders

Literacy bags (and all their contents) are due back each Friday. Your child will not get a new one until they return it. They have been so much fun to look at. Thank you for your cooperation!

• • •
Please label all winter gear with your child's name. Practice putting winter gear on and taking it off at home. A lot of kiddos are struggling with it at schools so they are missing recess time while I run around to help them.

Our Learning

ELA: This week our essential question was, "What do people use to do their jobs?" We read an informational text titled, "Whose Shoes?" where we looked at different professions' uniforms and tried to guess who they were by their shoes. This led to a fun discussion of what we would like to be when we grow up!

Math: We are really focusing on addition and subtraction to 5 using partner numbers (ex: 2 and 3 are partner numbers for 5). We are also talking about teen numbers. We can identify teen numbers when we see a "1" at the beginning.

At-Home Practice

Please be working on uppercase and lowercase letters and sounds if your child has not mastered them.

• We have been doing a lot of addition and subtraction practice in class. Please practice at home as well!

• Some other things you could work on is rhyming and writing their first AND last name.
