Project Impact: Giving Tree

Please help support families at Wilder-Waite and in our community. All items will be donated to students right here in our own school district!

The Giving Tree will be at the entry of Wilder-Waite and the collection of donations will be collected from Wednesday, December 6th through Wednesday, December 18th.

Please come or have your child take an ornament from the tree. Each ornament has a specific gift for a student in our school or school district. Please donate NEW items only and leave the item UNWRAPPED.

Please attach the ornament to the item that you have purchased, so that it will go directly to the correct child

Thank you for helping spread joy in our school district and for supporting the 5th grade Project Impact

Important dates to note for the remaining school year:

District employees and their families are invited to the Annual Santa Potluck Breakfast

Saturday, December 14th, 2019 at 8:30am
at Dunlap Grade School (normally held at DHS)

Join us for breakfast with your favorite little ones!
(Children, grandchildren, nieces & nephews are all welcome)
The kids can also enjoy a visit with Santa (Bring your cameras!!)
and participate in games, crafts, singing, and face painting!

This annual event is hosted by Operation Snowball, a club at the high school that focuses on leadership development to empower youth to lead drug-free lives.

COLD WEATHER READINESS

As we are just beginning to experience cold weather, here is a reminder of the school policy regarding outdoor recess: students WILL be going outside when the temperature is 15 degrees or above (this includes wind chill temps.) Please dress your child accordingly. When there is snow on the ground, they should wear boots and bring shoes to change into while in the classroom. Students participate in P.E. class every day and are expected to have gym shoes at school.

The Dunlap District Administration may choose to implement a two-hour delay to the start of the school day in the case of inclement weather (snow, ice, extreme cold, etc.). It's not anticipated that a delayed start will occur often, but it does provide an additional option to ensure a productive school environment, while maintaining safe conditions for all staff, students, and parents. This decision will be announced no later than 6:30 a.m. on the day of the delayed start via School Messenger system as well as local TV stations. On these days, buses will run and morning pick up times will be two hours later than normal. Classes will begin two hours later than their regularly scheduled time. There will be no morning Early Childhood or Bright Futures classes, but the afternoon classes will run at the normal time. School will still dismiss at the regular time.

Further information regarding our weather related procedures can be found at <http://www.dunlapcusd.net/District/Pages/SchoolClosingPolicy.aspx>.
