## COLLEGE & CAREER NEWS

### Rescheduled ASVAB

Due to a nationwide ASVAB network failure during the November 20th ASVAB, we have rescheduled the ASVAB administration for **December 18th**. If you're interested in taking the ASVAB to learn more about your strengths and what opportunities are available to you,

please let Mr. Dawson (in counseling) know. The test can also be used to meet the state assessment graduation requirement. We are now offering the ASVAB after school on December 18th in the BHS Computer Lab just off the Library (and it's free).

Before you're scared off by the word ASVAB, know that 83% of students who took it in the past five years, weren't interested in joining the military and you don't have to send scores to the military or recruiters. Sign up for the test in Counseling with Mr. Dawson.

### CWU Application Workshop

**SENIORS** - if you plan on applying to Central Washington University, we can help! On January 15th, we will be hosting a CWU Application Workshop with Grace Nguyen, CWU Admissions Counselor. The workshop will take place on January 15th at 1pm in the Computer Lab next to the Library and will take about an hour. Grace will walk you through the application, answer any questions you have, check the status of your application if you've already applied and hand out swag if

you attend. To sign up, see Mr. Dawson in the counseling office. Hope to see you there!

## Scholarship Confusion?

Are you confused about the entire scholarship process and don't know where to begin? Thankfully, the Bothell High School Counseling Department is here to help. We're offering a Scholarship Information Session that will give you a leg up in the process.

- **WHEN:** Friday, January 10, 2020
