For the purpose of computing vacation accrual for years of employment subsequent to the initial year of employment, the Employer will give a full year's credit if an employee is hired on a full-time basis prior to January 1. If employed after January 1, no credit will be given for the first year of employment.

Subd. 5

As flexible work schedules may be of benefit to both parties of this agreement, it is understood that employees may request a voluntary reduction of hours and it shall be the sole discretion of the District level school designee, with input from the employee's immediate supervisor, to either grant or deny such request. The employee shall submit a written request stating the proposed change in work schedule. The Employer's response to such a request shall be made in writing to the employee involved, and said response shall not be subject to the grievance process. Should this reduction of hours request be granted, thereby creating a new position, the Employer shall post the position in accordance with Article VI, Section G.

SECTION E – Staff Development

All employees within the unit shall be provided with eight (8) hours of paid training and/or development activities at their regular hourly rate each school year on a day or time when students are not in school. The District shall have the exclusive right to determine the dates and times to be reserved for this purpose. The training and/or development activities to be conducted will be the responsibility of the District in collaboration with the Association. The District shall not be required to provide make-up sessions for employees who are absent from scheduled training and/or development activities.

Employees are required to attend all scheduled training and/or development activities unless excused by the District.

Any additional training and/or development activities required for a position beyond the eight (8) hour minimum shall be provided by the District, and employees shall be compensated at their regular hourly rate while participating in such training and/or development activities.

The District shall provide a ten (10) working days written notice to employees prior to all scheduled training and/or development activities.

In the event it becomes necessary to delay the opening, close early or close completely a school facility due to an emergency, the following shall prevail:

Subd. 1 - Opening is delayed prior to the employees scheduled start time:

- a. Delayed openings will be communicated via the official radio station or in some cases directly to the employee by phone.
- b. Upon notification the employee will delay reporting to work for the same period as the school opening is delayed.
- c. If rescheduling on that day is possible, the employee will work the normal daily hours once the employee reports to work. If rescheduling on that day is not possible, the employee will not be penalized for any lost time.
- d. An employee whose work schedule is not impacted by the delay will report to work at the normal scheduled time.

Subd. 2 - A school facility is announced to be closed prior to the employees scheduled start time:

- a. School closing will be communicated via the official radio station or in some cases directly to the employee by phone.
- b. Upon notification the employee will not be required to report to work that day.
- c. Employees will be paid for the day at their regular rate of pay unless a make-up day is scheduled which will provide the same annual days of employment. If a make-up day is scheduled which provides the same annual employment days, the employee will not be paid for the day school is closed for students.

Subd. 3 - A school facility is closed after the employee has reported to work:

- a. The employee may be dismissed after all students have safely departed the school.
- b. The employee shall be paid for all of their scheduled work hours that day even though the employee may not be required to work their entire shift.

Subd. 4 - Employees required to report to work or who are retained after a facility is closed and students have safely departed the school:

- a. Nothing specified in Subd. 1, 2, or 3 shall prohibit the Employer from requiring an employee to remain at work or to report to work even though other employees are dismissed or are not required to report to work.
- b. Employees shall be entitled to one and one-half (1-1/2) times their normal rate of pay in lieu of their regular rate of pay for the period they are retained or the period of time they may work when they are required by their Employer to report for work.

SECTION G - Probationary Employment

Subd. 1 - An employee is a probationary employee during the first ten (10) calendar months of employment in the paraprofessional unit. Months not worked shall not be counted towards completion of the probationary period (i.e., summer months).

Subd. 2 - The Employer reserves the right to discipline, lay off and/or discharge with respect to probationary employees. No matter concerning the discipline, lay off or termination of a probationary employee shall be subject to the grievance procedure. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated.

Subd. 3 - During the probationary period the District shall provide a written performance appraisal of the employee after three (3) calendar months and at least one month prior to the completion of the probationary period.

SECTION H - Health Requirements

Medical examinations may be required by the District. Any medical examination required by the District following initial employment shall be provided by the District medical doctor at District's expense. If the employee objects to being examined by the District's medical doctor, the examination shall be conducted by a medical doctor mutually agreeable to the employee and the Employer, but the employee shall be responsible for any portion of the examination fee which is in excess of what the Employer would have paid the District's medical doctor for the examination.

SECTION I - Recall to Work

A minimum of two (2) hours shall be paid an employee when the employee is recalled to work or when an employee assigned to an individual student reports to work and then is sent home because the assigned student is absent from school.

SECTION J - Paid Time Off

Paid time off shall be counted as time worked.

SECTION K - Uniforms

If the District requires any paraprofessional employees to wear uniforms, the District shall furnish the uniforms. An employee committee, including representatives of those affected, will be formed to advise the District on uniforms.

SECTION L - Job Share Arrangements

- a. Paraprofessionals in a job share position shall accrue seniority per Article VI, Section A, Subd. 1 of the contract. Job sharing arrangements shall be re-evaluated at the end of each school or shall be re-evaluated should one of the job sharing paras terminate employment or be granted a leave of absence.
- b. If one of the paras in a job share position resigns, the District shall have the right to post the job share position as is or restructure and post as a full-time position. Should the District restructure the position, the employee in the job share position shall have the right to apply for the restructured position or exercise all rights in Article VI, Section D.

SECTION M - Transfers and Promotions

Employees who are new to a position must serve in that position for at least one school year or through the end of a school year prior to being considered for a transfer or promotion, unless this requirement is waived at the District's discretion. Examples of reasons that would be considered by the District for a waiver would include a transfer or promotion which would permit an employee to move from a non-benefit position to a benefit eligible position.

ARTICLE VI: SENIORITY

SECTION A - Definition and Method of Accumulation

Subd. 1 - Seniority shall be determined by the employee's first day of continuous employment for a regular position; the employee with the earliest seniority date shall be deemed to have the most seniority. In the event two or more employees have the same seniority date, the employee with the earliest date of application on record shall be deemed to have the most seniority.

Paraprofessional employees whose assigned work schedule drops below thirty-five percent (35%) of the normal work week, which shall be defined as 12.25 hours or more per week, and more than sixty-seven (67) days per year, are exempt from coverage by this bargaining agreement and are therefore removed from the seniority list.

Seniority shall be calculated based on total hours of service, as shown below:

HOURS OF ANNUAL SERVICE	YEARS OF SENIORITY CREDIT	PORTION OF YEAR
170-444	.25	25%
445-719	.5	50%
720-994	.75	75%
995 +	1 year	100%

Subd. 2 - Employees in Limited Assignment - Any employee who applies for and is granted a limited assignment will continue to accrue seniority while working in the limited assignment. When the limited assignment ends, the District shall have the right to reassign the paraprofessional to other comparable positions within the District. An employee who refuses a reassignment to a comparable position at the same wage rate will be considered to have voluntarily resigned from the District.

Subd. 3 – Voluntary Termination – In the event that an employee in good standing voluntarily terminates employment from the bargaining unit position and is subsequently re-employed by the District under the bargaining unit within twelve (12) months, or after an absence of one (1) school year, at the District's discretion, the District may credit the employee following the employee's completion of the probationary period as described in Article V, Section F with seniority earned and accumulated as of the date of termination.

SECTION B - Seniority List

On October 1 of each year, the updated seniority list will be posted on employee bulletin boards and sent to the Association showing the seniority of all employees covered by this Agreement through the preceding June 30. Said updated seniority list shall state the seniority date of each employee as of the preceding June 30. Unless a written and dated statement challenging the seniority standing of any employee is filed by October 15, the seniority standing of the employees as shown on such list shall be deemed to be correct.

The seniority list will otherwise be updated during the course of the year as it is necessary to effectuate the purposes of this Agreement. The employee will be placed on the seniority list as of the seniority date as defined in section A sub division 1.

SECTION C - Loss of Seniority

An employee's continuous service shall be broken and all accrued seniority lost by any of the following:

- a. Discharge for just cause;
- b. Voluntary quit;
- c. Failure to return to work in accordance with the terms of a leave of absence.
- d. In the case of a lay off;
 - i. Failure to request receipt of any or all future notices of position openings to which the employee is eligible to return (as outlined in Sections D and F of this Article).
 - ii. Failure to respond within seven (7) calendar days after receiving a request in writing from the Employer for the employee to specify the employee's intentions regarding future employment with the District. "Receiving a request in writing" is interpreted to mean that the Employer shall send a certified letter (return receipt from employee only required) to the employee's last known address. If such letter is returned undeliverable or if the employee fails to respond within seven (7) calendar days of such request, the employee shall be considered to have voluntarily quit employment and the employee's name shall be taken off the seniority list.
 - iii. Lay off more than two (2) years.

SECTION D – Layoff

Subd. 1 – Definition – For the purposes of this section, layoff shall be defined as:

1. Elimination of entire paraprofessional position; or
2. Reduction of position to below the benefit eligibility level as described in Article X (30 hours per week);
or
3. Reduction of position to below bargaining unit eligibility (12.25 hours per week as defined in Article I).

Subd. 2 – Process and Timeline

When reducing positions within a building, the reductions shall be made first to those hours of the most junior paraprofessional(s) currently assigned to the position.

The District shall have the right to reassign the paraprofessional(s) displaced through this process to other comparable positions within the District. The employee may choose to:

1. Accept the reassignment; or
2. Refuse the reassignment and voluntarily resign from the District; or
3. Accept the reduced assignment and waive all other rights under Article VI, Section D.

Upon receipt of notice, the employee shall have up to seven (7) calendar days to make a decision under Article VI, Section D, Subd. 2.

When less positions are needed district-wide compared to the number of current positions, paraprofessionals assigned to the positions being reduced shall be laid off in inverse order of their seniority standing and shall be eligible for the layoff rights as described in subdivision 3 of this section.

The specific position to be discontinued will be identified by the Employer. Employees will be provided no fewer than seven (7) calendar days of written notice.

The parties agree to meet and confer regarding any reductions that fall within the following areas:

- a. In the early childhood family education program;
- b. In center-based special education programs; and
- c. In other situations if there is mutual agreement between the parties

Subd. 3 – Layoff Rights

Employees whose positions are eliminated shall have the following rights:

a. Exercise Bumping Rights:

Employees whose positions have been eliminated would be allowed to bump into the least senior employee's position with comparable hours in their current classification or a lower classification as described in Subdivision 3.a.ii below. Comparable hours would be defined as:

- i. Within one (1) hour per day for non-benefit positions (less than six (6) hours per day).

If there is no position within one (1) hour per day available for bumping in the employee's current classification, the employee would have the option to bump into a position within one (1) hour per day occupied by the least senior employee in the next lower classification.

- ii. Within one hour per day for benefit-eligible positions (six [6] hours or more per day).

If there is no benefit-eligible position available for bumping in the employee's current classification, the employee would have the option to bump into a benefit-eligible position occupied by the least senior employee in the next lower classification.

For layoffs taking place in the next school year, bumping shall occur after the seniority list for the current school year is updated through June 30th.

Any employee who is displaced as a result of the above described bumping right shall have the right to displace the most junior employee with less seniority in a lower classification(s) of equal or lesser hours per day.

An employee must have the qualifications and ability to perform the new position assumed under the above procedure. An employee who assumes a new position as a result of the above procedure assumes the wage schedule which applies to the new position.

b. Accept a Layoff:

An employee with seniority standing may accept a layoff and may request to return to any open position for which the employee is qualified. However, if an employee on layoff returns to a position which is not comparable in wage and/or hours to the one held prior to layoff, the employee shall be entitled to a preference for any subsequent position opening for which the employee is qualified (as outlined in Section G of this Article). In the event two or more employees on layoff are qualified for and desire to return to the same open position, recall shall be according to their seniority standing.

An employee on layoff may refuse to return to an open position not comparable as within one hour or less per day) and at a lower wage rate than the position previously held by the employee before being laid off.

An employee on layoff may remain on the recall list for up to two (2) years. An employee who refuses recall to a comparable position at the same wage rate will be removed from the layoff list and employment will be considered terminated. An employee will remain on the layoff list if the employee is recalled to a position for which the employee does not meet the minimum job qualifications of the current job description.

Requests to return to employment will be sent by certified mail to persons on the layoff/recall list who cannot be reached by phone. Employees will respond within seven (7) calendar days after receiving such request. If such request is returned undeliverable or if the employee fails to respond within seven (7) calendar days of such request, the employee shall be considered to have voluntarily quit employment and the employee's name shall be taken off the seniority list.

c. **Accept Offer of Reassignment:**

The employee may accept an offer of reassignment by the District to an open position of lesser pay or hours.

d. **Accept Severance Package:**

The employee may accept a voluntary severance package as follows:

- i. For employees with at least five (5) years of seniority, the voluntary severance package will provide for compensation of \$350 for each year of seniority, up to a maximum of 20 years of seniority, or for a total of up to \$7,000.
- ii. For employees with at least ten (10) years of seniority, the voluntary severance package will also provide for a one year continuation of single health insurance.
- iii. Employees who accept the voluntary severance option will sever employment with the District and be considered to have a break in service.
- iv. Employees who accept the voluntary severance option will not be eligible for the terms detailed in Article VI, Section A, Subdivision 3.

SECTION E - Reduction of Hours

Employees whose positions are reduced in hours shall be provided no fewer than seven (7) calendar days of written notice. If the reduction meets the definition of layoff as described in Section D, Subdivision 1, the employee may elect to waive the layoff rights and accept the reduced assignment.

SECTION F - Determination of Employment

The Employer shall determine when a position is vacant and when it shall be filled. In the case of layoff or the elimination of an employee's position, all affected employees shall be given two (2) weeks' notice of the layoff and/or elimination of position.

SECTION G - Posted Notice of Job Vacancies

Whenever a position vacancy occurs, other than one lasting sixty-seven (67) working days or less, a notice of that position vacancy shall be sent to the "All Paras" email group with a link to the web posting. The notice shall describe the position and shall be posted for five (5) working days. The position description shall include the hours per day, days per year, building and classification. If the posted position is for one full school year or less, the position shall be identified as such. If the status of a position changes, the position shall be re-posted. Employees who wish to apply for a vacant position, including employees on layoff, must complete an online internal application form within the period specified in the posting.

If a position vacancy occurs that is less than 67 working days or less than 12.25 weekly hours, first consideration will be given to bargaining unit employees who have requested an increase in hours.

The position will be filled utilizing qualifications and other factors identified by the Employer in the posted notice of the position. Bargaining unit employees applying for the position who meet the qualifications will be given preference for the position. When bargaining unit employees are qualified, the employee with the most seniority shall be given preference for the position.

No position shall be filled on a regular basis prior to the end of the period specified in the posting.

Employees who have applied for a position will be notified as soon as a decision is reached.

ARTICLE VII: DISCHARGE AND DISCIPLINE

SECTION A - Nature of Discipline

No employee shall be disciplined or discharged without just cause. Discipline may include verbal warning, written warning, suspension or discharge.

Only the School Board can dismiss an employee after the probationary period; however, the Superintendent or designee is authorized to suspend employees until their case is heard by the School Board.

When suspension precedes a pending dismissal action, a final decision with respect to dismissal shall be made by the School Board. The board may approve the dismissal or impose other discipline instead, including periods of suspension with or without pay, or overrule imposition of any discipline.

Warning notices will not be considered in pending discipline cases when no more than one (1) written warning for the same general kind of offense has been received by the employee within two years of actual time worked.

SECTION B - Representation

Whenever a meeting with an employee is scheduled for the purpose of disciplinary action, the employee may be accompanied by a representative of the local association.

ARTICLE VIII: LEAVES OF ABSENCE

SECTION A - Basic Leave Allowance and Uses

Subd. 1 - Employees who are regularly scheduled to work at least 12.25 hours per week shall be entitled to accrue basic leave as follows:

Employees regularly scheduled to work forty (40) hours per week shall accrue 8 hours of basic leave per month of active employment.

Employees who are regularly scheduled to work at least 12.25 hours per week but less than forty (40) hours per week shall accrue basic leave equal to the average number of hours worked per day for each month of active employment.

As a supplement to the monthly allocation, employees regularly scheduled to work forty (40) hours per week shall accrue eight (8) additional hours of basic leave per year. ARTICLE XII: GRIEVANCE PROCEDURE

SECTION A - Grievance Defined

A grievance is defined as a dispute or disagreement between an employee covered hereunder and the Employer as to the interpretation or application of terms and provisions of this Agreement.

SECTION B - Days and Time Limits

Reference to days regarding time periods shall refer to work days.

In computing any period of time prescribed or allowed by the procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted unless it is a Saturday, a Sunday, or a legal holiday in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Any notice or document required by this procedure may be submitted to the designated party by mail or in person. If mailed, it shall be timely if it bears a postmark of the United States mail within the time period.

SECTION C - Time and Waiver

The parties by mutual agreement may waive any step and extend any time limits in the grievance procedure. Failure to appeal a grievance from one level to another within the time limits hereinafter provided shall constitute a waiver of the grievance.

A grievance shall be valid for consideration under the procedures set forth herein if the grievance is presented to the employee's supervisor within twenty (20) days after the occurrence giving rise to the grievance or twenty (20) days after the employee should reasonably have had knowledge of the occurrence giving rise to the grievance.

Reduced to writing means a concise statement outlining the nature of the grievance, the provision(s) of the contract in dispute and the relief requested.

SECTION D - Processing

The processing of all grievances in level one (1) and two (2) shall be during regularly scheduled working hours unless otherwise mutually agreed. At level three (3), grievances shall be processed at a time and place determined by the Employer; and at level four (4), grievances shall be processed at a time and place determined by the arbitrator. Employees shall not lose wages due to their necessary participation in this procedure.

SECTION E - Procedure for Adjustment of Grievance

The Employer, Employee and the Association shall adjust grievances in the following manner:

Level 1

- a. The employee and/or the employee's representative shall set a meeting with employee's supervisor in an attempt to resolve the grievance.

This must be done within the time limits specified in Section C of this Article.

- b. If the grievance is not resolved through discussions, the grievance must then be reduced to writing by the Association, within five (5) days of the meeting held in Subdivision a.
- c. The employee's supervisor shall respond in writing within ten (10) days of the receipt of the written grievance.

Level 2

In the event the grievance is not resolved at level one (1), the decision rendered by the supervisor may be appealed by the Association to the Superintendent, provided such appeal is made in writing within five (5) days after receipt of the decision in level one (1). If a grievance is properly appealed to the Superintendent, the Superintendent shall set forth a date and time for a conference with the Superintendent or designee to discuss the grievance. The employee and the Association shall be notified in writing of said date and time. Said discussions shall be scheduled within fifteen (15) days of receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.

Level 3

In the event the employee and the School Board are unable to resolve a grievance at level two (2) or four (4), the parties may mutually agree to waive the timelines outlined in level four (4) or five (5) and submit the issue to the Bureau of Mediation Services for mediation. Should the issue remain unresolved after meeting with a mediator, the matter can be moved to the next higher level.

Level 4

In the event the grievance is not resolved at level two (2), the decision rendered by the Superintendent or designee may be appealed by the Association to the School Board, provided such appeal is made in writing within ten (10) days after receipt of the decision in level two (2). If a grievance is properly appealed to the School Board, the School Board shall set forth a time to hear the grievance. Said hearing shall be scheduled within twenty (20) days of receipt of the appeal. The employee and the Association shall be notified in writing of the date and time of said hearing. Within ten (10) days after the meeting, the School Board shall issue its decision in writing to the parties involved.

Level 5

In the event that the employee and the School Board are unable to resolve a grievance, the employee may submit the grievance to arbitration as provided for herein.

A request to submit a grievance to arbitration must be in writing signed by the Association, and such request must be filed in the office of the Superintendent within twenty (20) days following the date of the decision at level three (3) of the Grievance Procedure. A request for arbitration must set forth the issue(s) to be arbitrated and the provision of the agreement involved.

The Employer and the Association shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the Employer and the exclusive representative are unable to agree on an arbitrator within ten (10) days after request for arbitration, they may request from the Director of the Bureau of Mediation Services, State of Minnesota, a list of five (5) names. The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance.

SECTION F - Jurisdiction

The arbitrator shall only have jurisdiction over grievances as defined herein and as to such grievances properly brought before the arbitrator and only pursuant to the terms of this procedure.

The arbitrator shall not have the power to add to, subtract from, or to modify in any way the terms of this Agreement.

The decision of the arbitrator shall be final and binding upon the parties. The arbitrator's decision shall be delivered to the parties.

SECTION G - Representation

The employee or Employer may be represented at any step of the procedure by any person or agent designated by such party to act in their behalf.

SECTION H - Investigation of Grievances

The Association representative shall be allowed to investigate grievances on working time when it is not possible to perform the investigation outside of working time. When it is necessary to investigate a grievance on working time, the Association representative shall first obtain permission from the District's Personnel Officer, which permission will not be unreasonably withheld. Otherwise, investigation of grievances shall be performed during non- work time.

SECTION I - Fees and Expenses

The fees and expenses of an arbitrator shall be paid equally by the parties. Each party shall be responsible for its own costs and expenses in following the procedures set forth in this Article.

SECTION J - Non-Discrimination

The Employer will not discriminate against any employee because of his or her filing or processing a grievance pursuant to the provisions set forth in this Article.

ARTICLE XIII: DURATION

This Agreement shall remain in full force and effect for a period commencing on July 1, 2018, through June 30, 2020, and thereafter from year to year unless either party serves written notice of its desire to change or modify this Agreement pursuant to P.E.L.R.A. Unless otherwise mutually agreed, the parties shall not commence negotiations more than ninety (90) days prior to the expiration of this Agreement.
