

The Christine Olender Science & Technology Scholarship

Christine Olender, class of 1980, was the assistant general manager at the Windows on the World restaurant in the World Trade Center, where she had worked since 1996. Christine was one of countless victims lost in the tragic terrorist attacks of September 11, 2001.

Christine was an active student at Res - she sang in Res Singers and performed in musical theatre productions. She was a pompom girl and cheerleader for the former Weber High School, and was a creative person with a lifelong flair for fashion. At home, Christine was always close to her family and her Polish roots. She spoke only Polish at home and remained extremely close to her parents ever after her move to New York.

Christine Olender attended her 20-year class reunion in November 2000, after which her classmates described her warmth, friendliness, and the genuine interest she showed in their lives. With that in mind, members of the graduating class of 1980 initiated a scholarship fund in Christine's name. Thanks to the tremendous generosity of Christine's family, friends, and fellow alumnae, those initial contributions have grown into an endowed fund, which means the scholarship will endure a lasting memorial to Christine for many years.
