

MSN Connect

is a **PTO initiative**
designed to connect kids,
community and kindness.

MSN Connect:

- **shares service opportunities** in our community that are posted at school and via an on-line newsletter distributed 1-2 times per month;
- hosts **Afterschool Action events** so students can join in hands-on service projects right here at school; and
- **promotes simple acts of kindness** in our school community and beyond.

To subscribe to our newsletter, **MSN Connection**, click here:
