

Peer Helpers Care Package for Exams

(upper school students only)

Help your student de-stress about Exam Week. For \$10, the Peer Helpers Club will personally put together a care package filled with goodies and items that will help make studying a little more tolerable. (This is the only fundraiser that Peer Helpers does during the year.)

Think how special your student will feel when they receive a care package from you. During finals week, everything is stressful, and any small thing to brighten their day is appreciated.

Items will include:

- Healthy snacks
- Candy
- Pencils
- Erasers
- Tattoos/Stickers
- Stress Balls
