

ASEP INFORMATION

Trained Staff

ASEP staff participated in the recent professional development day. We attended classes on safety, STEM (Science, Technology, Engineering, and Math), student management techniques, and so much more. We collaborated with staff members from all the ASEP sites. Our staff participates in a minimum of ten hours of training each year.

Fire and Emergency Drills

ASEP conducts fire drills, lock down, shelter in place, and weather drills. These drills are required by the division of child development, our licensing agency.

Adults at the door

Only adults are allowed to open the door at ASEP. This is for the safety of everyone in the building.

Sanford Harmony

Sanford Harmony is used to help teach cooperation and teamwork. Meet Up and Buddy Up cards are part of our daily program.

PARENT CORNER

Money Matter\$

Payment is due the Friday before service is received. You will receive a bill for the upcoming week on Tuesday of the previous week. Fees are pro-rated only if school is closed. Your site coordinator is available to answer questions.

Homework

All groups are given the opportunity to participate in "quiet time." Grades 1-5 are encouraged to work on homework. Adults are available to assist as needed. Additional options available during this time include reading a book or working on an art project.

Outside Everyday!

Please make sure your child is dressed for the weather. Closed toe, tennis type shoes are recommended so that your child can safely enjoy activities with their friends.
