

ASEP INFORMATION

Time to update!

Each quarter we ask parents to update their child's ASEP application. Please be sure you review your phone numbers and all the emergency contact's you have listed for your child. We recommend that you add your site coordinator's cell phone number to your contacts in the event you need to reach her during ASEP.

Share Special Skills?

We are always looking for parents to share a special skill or craft with our ASEP children. If you or someone you know is interested in sharing their "specialty" with ASEP, please contact Marsha or your site coordinator.

Parent Involvement

Parents are encouraged to visit ASEP and spend time with their child, meet the staff, and the children in your child's group. Suggestions on improving our programs

PARENT CORNER

Money Matters

Methods of payment for ASEP tuition are check and cash, paid onsite. Receipts are written for cash transactions only. The smart care system accepts credit card or bank drafts. Bills are generated automatically via Smart Care each week. If you are not receiving a bill, please let your site coordinator know so she can assist you. All fees must be up to date by December 13, 2019 in order to save your child's ASEP spot when school and ASEP is back in session on January 6, 2020.

Outside Everyday

Winter is here. Please be sure your child is prepared to be outside and active at ASEP by bringing coats, hats, gloves, and warm shoes and socks to our program. Thank you!
