Mission Statement

Partnering to inspire academic curiosity, impeccable character, and Christian Leadership grounded in Biblical truth.

School and Community

Fellowship Christian School was founded as a college preparatory covenant school for Christian families. The Pre K-12 school occupies two buildings on a 47-acre beautifully landscaped campus in a northern Fulton County suburb of Atlanta, drawing students from neighboring counties in a 30-mile radius.

Our K-8 school opened in 1986, with Fellowship Christian High School opening in 1993 and graduating our first class in 1997. Class sizes are manageable and promote relationship building.

Accreditations and Associations

The school is accredited by the Southern Association of Independent Schools, Advanced ED, and Association of Christian Schools International. Memberships also include the Georgia High School Athletic Association, and Georgia Independent School Association. The College Counselors are also members of the National Association of College Admissions Counseling.
